CALDWELL AND MATTOX, BELLEFONTE 1853

CALDWELL AND CO., BELLEFONTE 1890

Hamlin Caldwell was born in 1812. He came to Bellefonte, Alabama from Ohio in 1837 and established a mercantile business with his borther-in-law, David King. The business later became known as Caldwell and Snodgrass. The two account books of this business at the Scottsboro-Jackson Heritage Center are dated 1853 and 1890.

The 1853 book indicates a partnership with Thomas R. Mattox. The book is a journal in which the daily transactions (charges) were recorded for later postings to the ledger. The names of these charge customers are in this index. On page 240, a notes receivable register dated December 10, 1882 is started. The last note recorded was dated May 16, 1888. The notes receivable register is not indexed.

The second book "Caldwell and Co. 1890" is a ledger with a self-contained index. The entries posted include the dates - January 1890 through December 1892. This index is included in this collection.

Referring again to the 1853 day journal, we find on page 250 a series of entries dated January through May of 1894. On page 260 we find a sawmill account dated January 1, 1894 through December ¹⁸⁹⁴~~1984~~. These transactions are not included in this index.

The original Hamlin Caldwell Mercantile business at Bellefonte passed to his son, Europe Hamlin Caldwell

about 1893 and was moved to Scottsboro. Mr. Europe H. Caldwell operated the business as a produce and grocery store until 1938. His son, Hamlin Caldwell, gave the two account books to the Heritage Center in October 1989.

The code letters CM refer to Caldwell and Mattox. HC refers to Hamlin Caldwell and Co.
