Debate Team

The SHS debate team experienced what must be considered a rebuilding year. Owing to lack of experience, the team did not perform as well as it has in the past. Because of scheduling problems only two tournaments were attended, the Huntsville-University of Alabama Spring Clinic, and the Samford University Invitational. Although the team did not win, the new members gained a great amount of experience necessary for next year's success. The debate team would like to express its appreciation to Head Coach, Mr. Glenn Chism, for the time and effort he expended in doing such a fine job in his first year as Head Coach.
