FOREWORD

We, the editors of the annual "Memories" for '56-'57, wish you much enjoyment from our book. We hope our yearbook pleases you as much as we feel it will. We have tried to make it something which you would want to cherish throughout the years to come.

*James Allin

DEDICATION

To Mrs. Maryadel Grice, we, the Senior Class of 1956-57, lovingly dedicate this edition of "Memories" in kind remembrance of her quick sympathy, ready smile, and her superior working ability.

PRINCIPAL'S MESSAGE

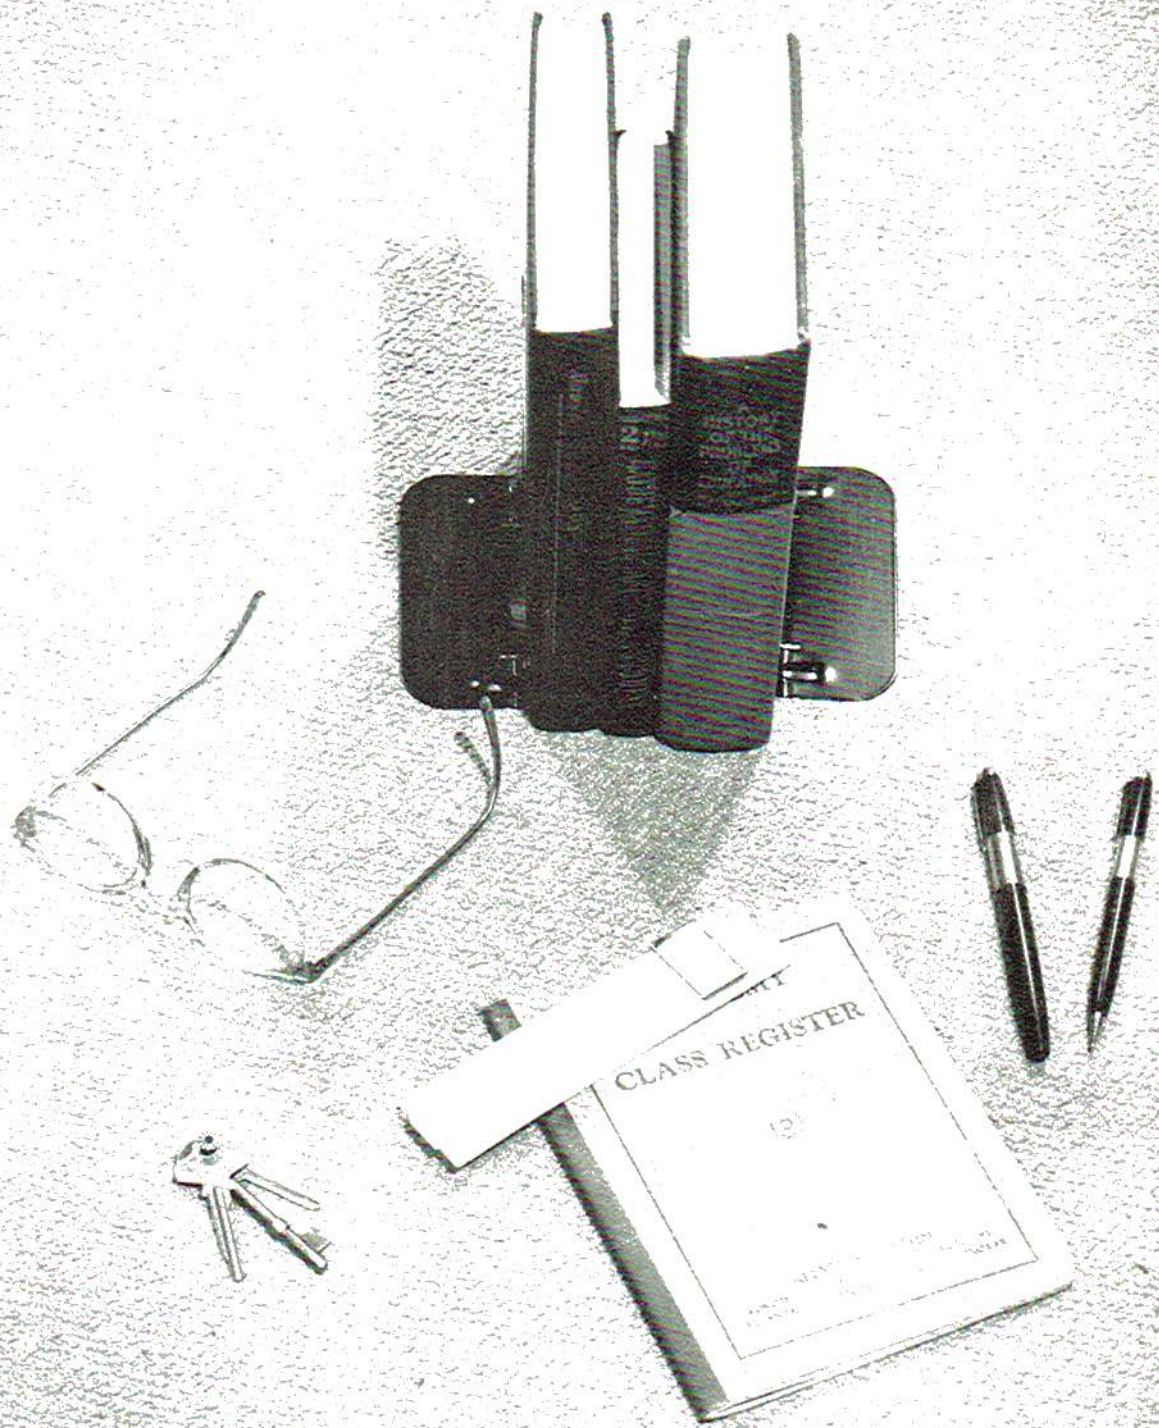

On behalf of the faculty, the students, and parents, may I express the deep appreciation we feel toward Mrs. Keys and her very efficient annual staff for this book of "Memories". They have, through untiring efforts, given us one of the finest annuals in the state each year. We are always grateful to the merchants and friends who help us each year to have a wonderful yearbook. Many thanks to everyone who has helped make this one of the greatest years of our lives.

Sincerely,

E. R. Knopf
