Foreword

The publication of the 1965 Bison has been both a pleasure and a challenge to all of us.

To the teachers, students, and above all, the advertisers, we wish to express our appreciation for making this edition of the Bison possible.

We hope that you will find in these pages warm and happy memories of classmates, teachers, and activities that were a part of your school life at North Sand Mountain High in '64-'65.

Dedication

Because he is our friend . . . encouraging, advising, and contributing his warm understanding whenever we need him . . .

Because he has guided us enthusiastically and often lent us the strength for success . . .

Because he is a teacher who arouses in his students a new faith in their ability, who instills a love of truth and honor, and who, by the sincere dedication of his abilities, has inspired those about him . . .

We are exceedingly proud to dedicate this yearbook to . . .

COACH WOODSON DEERMAN

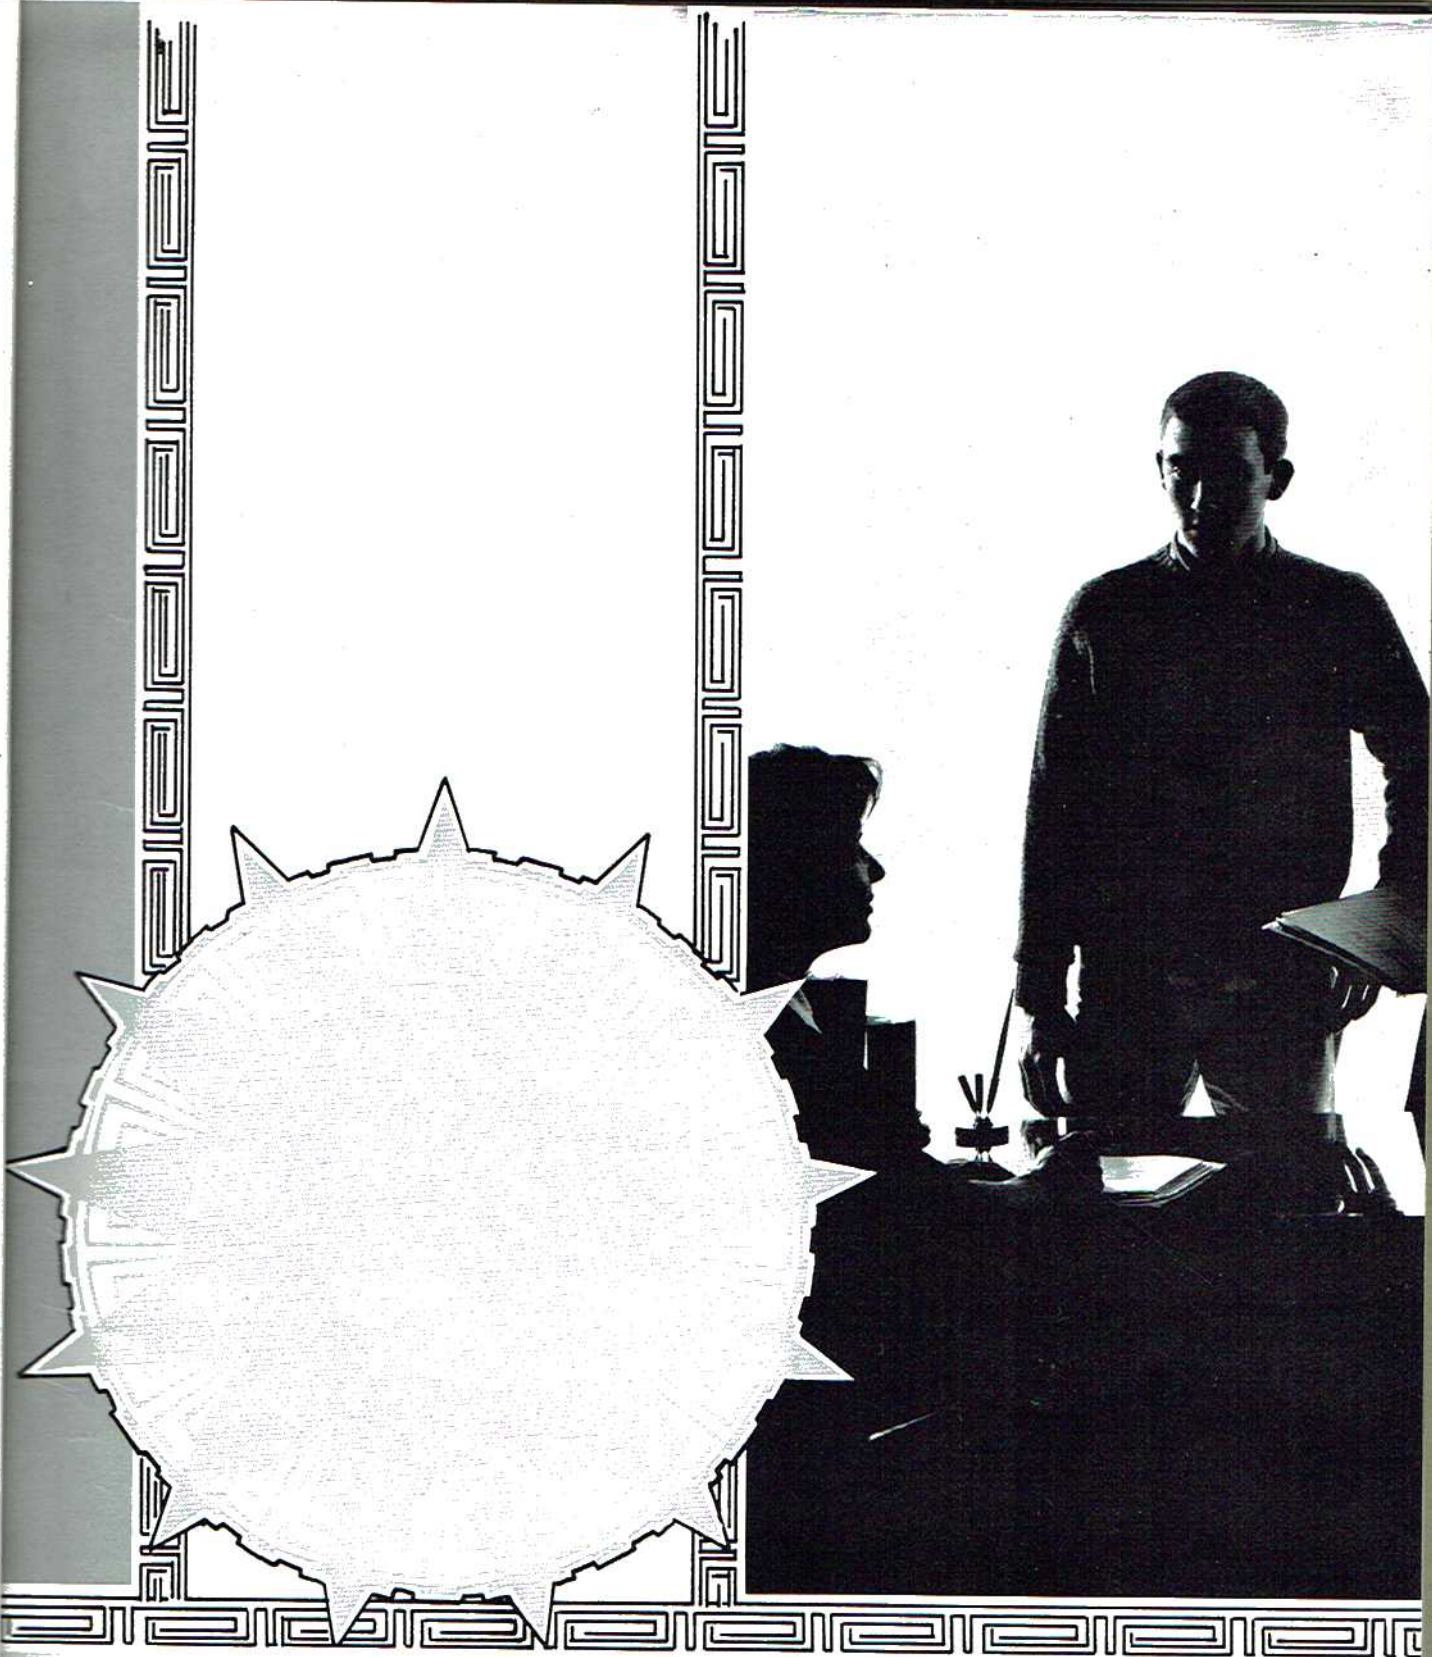

Dear Students:

You are to be congratulated for publishing such a fine annual. Each year that passes will make it more valuable to you.

I hope that each of you realizes that an education can do more than prepare you for a job or profession; it can help make it possible for you to live a happier, useful and enjoyable life. You will be worth more to yourself, your people, and your country.

Sincerely

A. A. Clemens
Superintendent

FACULTY

Principal's Message

To the Class of 1965

The true worth of any school system is shown in the quality of its product. North Sand Mountain has been fortunate in having you as its first graduating class and will, therefore, be judged a good school.

As the first class, you have demonstrated your qualities of leadership and achievement. As true Knights and Ladies of North Sand Mountain, may you maintain your high standards and continue through life striving to do your best no matter what the odds.

Our very best wishes for your success in life.

Class Prophecy

As I gaze into the future I see the 1965 seniors 20 years from now.

Kerry Edwards is now the President of the United States. He really lived up to his title as "class president."

Garry Higdon is now the owner of the largest game rooster farm in Alabama.

Brenda Culpepper our "Most Athletic" is now the first lady coach at dear old N. S. M.

David Higdon is now one of the panelists on the television show "Keep Talking," and he used to be so quiet!

Betty Russell is secretary to the under-secretary to the Secretary of the United States. She always did have a big ambition.

Glen Whitley liked school so well that he went on to college and now he is the Principal at dear old N. S. M. H. S. He is so well liked by the students that they dedicated the 1985 annual to him.

Barbara Lance has taken Uncle Fester's place on television. She always was a comedienne.

Garland Brown watched so many T. V. Commercials that he now writes them for a local television station in Higdon.

Lavelda Higdon is now in one of the "Most Popular" vocal groups in Higdon, Alabama.

Kenneth Shrader is now in the Air Force. He was the first man to reach the moon.

Guindal Knight started out as a pharmacist but after a lot of research he discovered a cure for the cold. Now he is a very famous doctor and scientist.

Dwight Millican is now a world famous football player.

Dwight Wade is now a famous lawyer. He works with the Mason firm. He always did like to argue.

Barbara Moore is now a world famous librarian. We always knew her education would pay off.

Jerry Jenkins is now the quarterback for the Boston Colts.

Burnell Gilbert is now the proud father of 12 children.

And I see myself, Burnice Gilbert, as a very famous world traveler.

Suddenly I realized something strange was going on. Then my teacher told me to quit day-dreaming and start studying.

Prophetess, Burnice Gilbert

Last Will and Testament

We, the Seniors of nineteen-hundred sixty-five of North Sand Mountain High School, being of sound mind and excellent training, having enjoyed twelve years of school together (and some of us more), and having grown to love Dear Ole N.S.M., faculty, and fellow classmates, do bequeath the following:

To the faculty, both present and past, we have learned to love you, and we leave to you our thanks from the bottom of our hearts for your patience, understanding, confidence, and the endless service you have rendered. We leave you a promise for which we hope we can stand good: namely, we seniors will live up to your expectation and wish. We shall not disappoint you.

To all underclassmen, we leave the desire to become Seniors.

And now to the Seniors of nineteen-hundred sixty-six, the Seniors of nineteen-hundred sixty-five leave a few of their many desirable and some of their undesirable traits.

To the entire Junior Class we leave our prestige, dignity, privileges, and conceit.

Garland Brown wills his red hair and freckles to Roy Dobbins.

David Higdon leaves his title of "Quietest" to Brenda Goins.

Lavelda Higdon wills her changeable disposition to anyone who wants it.

Kerry Edwards leaves his knowledge of History to Glen Davis.

Burnice Gilbert leaves her cheerleading ability to Betty Evans.

Garry Higdon leaves his athletic abilities to Julia Wycoff.

Dwight Wade leaves his ability to irritate all teachers to Edith Pritchett.

Barbara Lance wills her friendly ways to Joan Price.

Glen Whitley leaves his good grades to J. W. Miles.

Betty Russell wills her ability to get out of all classes without the use of passes and says, "Good Luck!"

Brenda Culpepper leaves her "everloving" giggles to Sallie West.

Guindal Knight leaves his broken bones to Troy Dobbins.

Kenneth Shrader leaves his clown acts to somebody who needs a change for the good.

Dwight Millican leaves his height to Edwin Spurgeon.

Burnell Gilbert leaves to spend more time with Linda.

Jerry Jenkins wills his hooky-playing ability to Travis Michaels.

Barbara Moore wills her desire for a higher education to anyone interested.

Testator, Betty Russell

Moments to Remember

Class Poem

Barbara Lance is a very nice girl
Her brown hair is always curled.
We know when she finishes school,
She will live by the Golden Rule.

Cute and jolly,
Her Friendship you're bound to win.
As you see, Betty Russell
Is everybody's friend.

David Higdon, very easy going.
We love to see him smile.
To dodge a flirty girl
He'd walk a hundred miles.

Burnice Gilbert, a top-notch cheerleader
With a figure fine,
A nicer girl
You'll never find.

Short and jolly is Brenda Culpepper
At football games she is seen often,
When she starts to laugh you'd
better watch out.

Jerry Jenkins is our River Rat,
And he is a real cool cat.

A real nice girl, and always neat
A girl like Barbara Moore
Is hard to beat.

Garland Brown is a country lad,
Finest fellow we ever had.

As a football player
He really gets about.
A personality like Kerry Edwards'
We couldn't do without.

Lavelda Higdon
Really has dimples,
She's also sweet
and sorta simple.

In our group is an average guy,
Dwight Millican is his name.
No matter how many years go by,
He will always be the same.

Guindal Knight
Known as "Bones,"
Will be glad
When this year's gone.

Glen Whitley, brains of the
class and dependable, too,
We think he'll be
President in 1982.

Kenneth Shrader
Is a real nice kid,
But in typing he's always
Flipping his lid.

When he starts to laugh,
You'd better watch out,
Stay around Burnell and
You'll want to shout.

Dwight Wade is quite a boy,
Having him around is a joy.

He'll be on the field,
Sunshine or rain,
For he's the senior's
Only birdbrain.
. . . that's Garry! !

I have but one other thing to do,
To wish all seniors, as you might, too,
A great big word - - - - - SUCCESS!
