FOREWORD 1966

The 66 annual of North Sand Mountain has been a task in which our staff, I feel, has made a good tackle. The annual staff now hands to its friends, teachers, and students this treasure chest of memories.

We are proud to have been a part of the school annual. The Cameronian has been a pleasure. Our best wishes to everyone who is and who has become a part of it.

EDITOR - *Betty Evans*
ASSISTANT EDITOR - *Runeil Knight*

IN MEMORY

Greg Venable, 5 1/2 year old son of our Special
Education Teacher, Mrs. Martha Venable.

In appreciation for their interest in us, their guidance that gave us the will to achieve only the highest, and their giving of themselves so willingly, they have won a place in our hearts. They have understood, assisted, inspired, encouraged, prompted, accepted, coaxed, and in general, enhanced our chances for success by their persistent efforts. Thus, the achievements are an actuality. We are now being graduated and are on our way to new horizons, far beyond our fondest expectations only a few short years ago.

In love, respect, honor, and thanks, we, the Senior class, dedicate the 1965-66 CAMERONIAN to--

T. W. BOULDIN
and
BEN HILL

A high-contrast, black and white photograph showing the silhouettes of three people in an office environment. On the left, a person is seated at a desk, facing right. In the center, a man stands with his hands near a desk. On the right, a woman stands holding a large open book or document. The background is a bright, featureless light source, creating a stark silhouette effect. The overall mood is professional and focused.

FACULTY

To the Class of 1966

I take this opportunity to congratulate the class of '66 on their successful completion of the prescribed course of study at North Sand Mountain High School.

In this age when education is becoming more important than ever, I hope that you will continue to equip yourselves to meet the challenges that lie ahead.

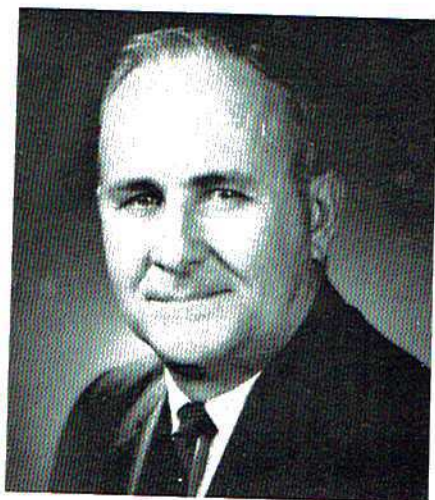

May each reach his goal and the best of luck.

Sincerely yours,

P. L. Burtley

Dear Students:

You are to be congratulated for publishing such a fine annual. Each year that passes will make it more valuable to you.

I hope that each of you realizes that an education can do more than prepare you for a job or profession; it can help make it possible for you to live a happier, useful and enjoyable life. You will be worth more to yourself, your people, and your country.

Sincerely

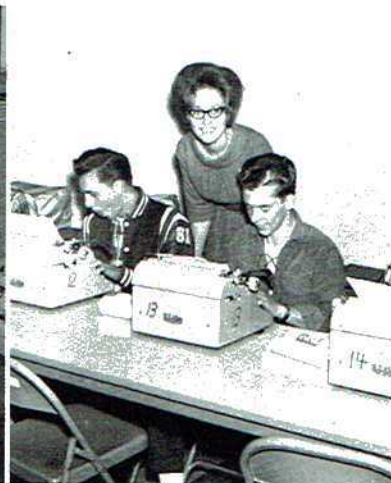

A. A. Clemens

CLASS PROPHECY

Jerry Wade Prophet

As I was sitting in my rocking chair, a vision came to me and I saw the senior class of 1966 twenty years into the future.

Edwin Spurgeon is now a bald headed old man that advertises Polident on the radio.

Troy Dobbins is the president of the First National Bank in Stevenson, Alabama.

Roy Dobbins is now married and is a proud father of twins! Here it goes again.

J. W. Miles is now a sergeant in the U. S. M. C. with Gomer Pyle as his commanding officer.

David Green is now the English teacher at N. S. M.

Jerry Lacy and Jerry Smith are now world famous ballet dancers.

Glenn Davis is now a world famous opera singer.

Dug Slater is now the dictator of Russia.

Travis Micheals is now a famous basketball player that plays with the Globe Trotters.

Dolan Noles is now a marriage counselor, his young marriage gave him great experience, at Higdon, Alabama.

Betty Evans is happily married and caring for her twelve Miles.

Rebecca Price has taken Hedda Hopper's position in the Gossip.

Julia Wycoff has sold her latest work of art for one million dollars.

North Sand Mountain made a pile of money at the wrestling match Saturday night. Featuring our own Brenda (Growling) Goins.

Runell Knight is now the first woman principal at N. S. M.

Polly Davis is the first woman football coach at Alabama University.

Jimmy Kesler is now the head of the Federal Bureau of Investigation.

Joan West is now working with the Federal Government in the Peace Corps. She is struggling with her new way of life.

Raymond Baker is the winner of the 1996 Olympics. And I see myself, Jerry Wade, as a Judge in the Supreme Court; there I stood clothed in my robe holding my gavel tightly, but yet I heard one voice above mine; it was the voice of Miss Vaughn begging, "Jerry, class is over; you may awake."

LAST WILL AND TESTAMENT

We, the Senior Class of 1966 at NSM, being of sound mind and excellent training, have enjoyed our days together and with you--our faculty (both present and past), and fellow school friends. We hereby express our wishes before our departure from NSM. Our last requests are that these valuable things be given to the people listed in this, our will.

We, the Senior Class, leave to all underclassmen the ability to become seniors.

I, Joan West, leave my neatness to Linda Johnson and Shirley Smith.

I, Polly Davis, leave my friendliness to Patsy Higdon and Donna Edwards.

I, Betty Evans, leave my nosiness to Diona Cooper.

I, Runell Knight, leave my quietness to Lois Shrader and Jo-Ann Brown.

Please, use!

I, Julia Wycoff, leave my artistic ability to Stanley Chapman.

I, Rebecca Price, leave my manners to Louise Plumlee and Patricia Patterson.

I, Brenda Goins, leave my athletic ability to Joyce Gray.

We, Jerry, Jimmy, and Edwin, leave our acting ability to Carthell, Sammy, and Ronnie.

We, Glen Davis, Jerry Lacy, and Jerry Smith, leave our ability to play hookey to Marty Winters, Tim Knight, and Larry Smith.

We, the Senior Class, leave our candy-eating to Velma Williams.

I, J. W. Miles, leave the yards and feet everyone needs to get through high school.

I, Douglas Slater, leave my sleepy-headedness to Donald Atchley and Douglas Whitley.

I, Dolan Noles, leave my ability to get married to anyone who wants it.

I, Travis Michaels, leave my blue eyes to Charles Chamblee.

I, Roy Dobbins, leave my athletic ability to the junior boys who will be needing it next year. Good luck!

I, Troy Dobbins, leave my build to Jimmy Boatner.

I, David Green, leave my muscles to Eldrige Shrader.

I, Raymond Baker, came late, and now I leave.

Testator, Runell Knight
