BEGINNINGS are somewhat like moments and memories. Like moments they are happenings that are quickly gone.

they are

But like memories they are cherished in our minds and our hearts and will never be forgotten.

REMEMBER the special times of Homecoming week, Fall Festival and spring. Remember the times the band played our victory song, and the sad times of defeat. Remember the basketball games, the little moves the players made that gave you pride and meant so much.

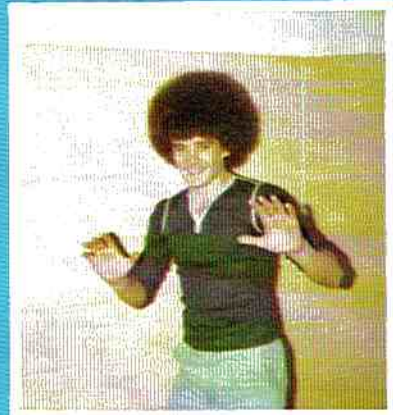

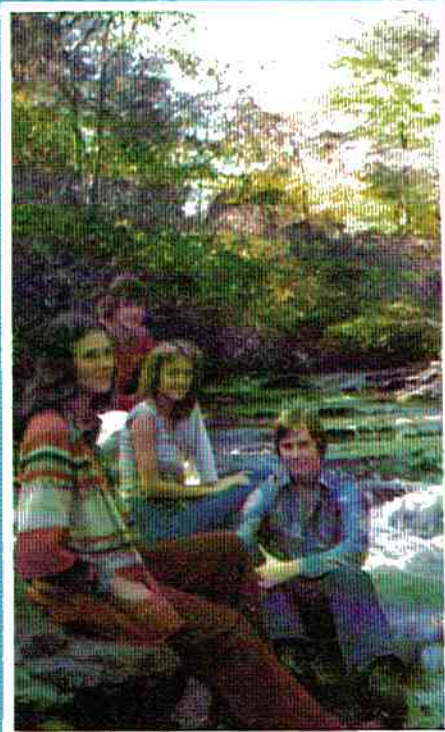

Remember
games, the

Remember the semester test, when you were happy if you passed it and hurting if you failed. Remember the times when you felt happy, and those times when you were sad. Remember all the times of this school year, because it soon becomes the past. Remember the times of your life.

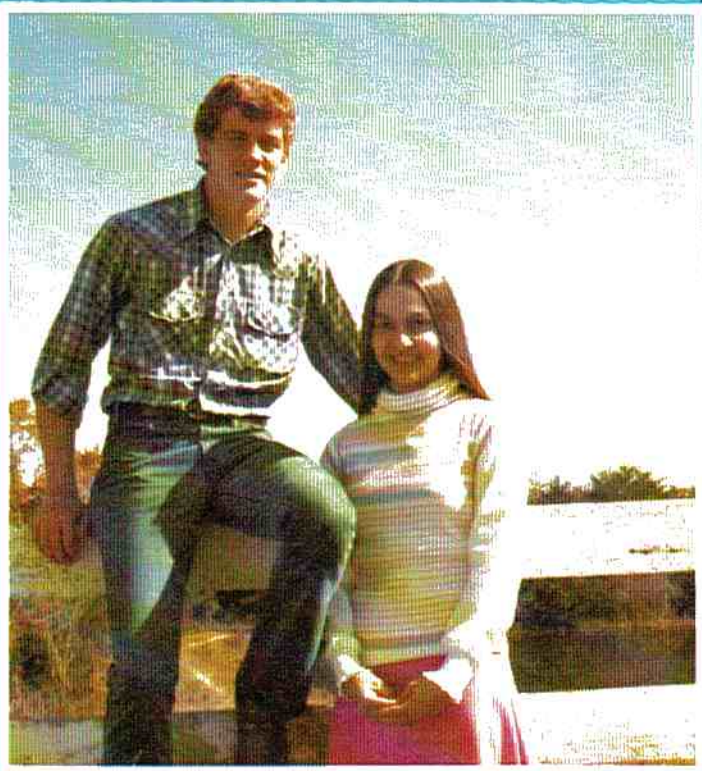

HAPPINESS is those few seconds that make us smile. Happiness is the feeling within us that so many times make our lives worth while.

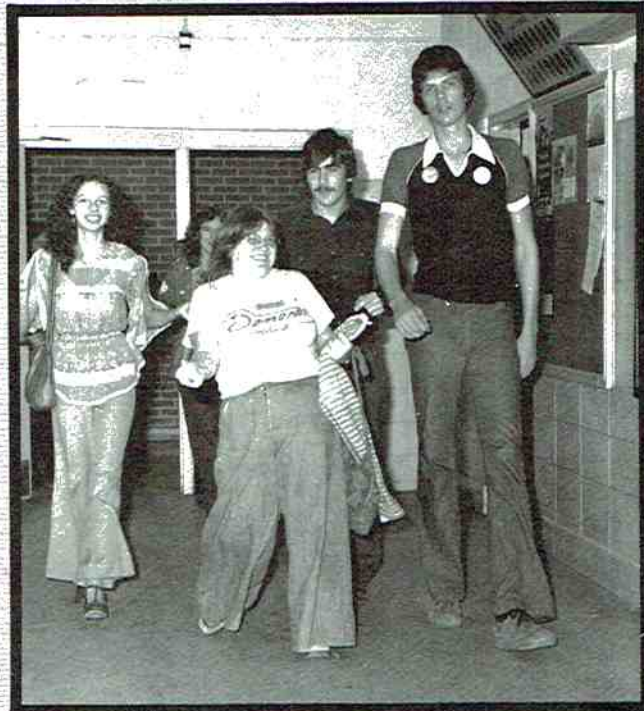

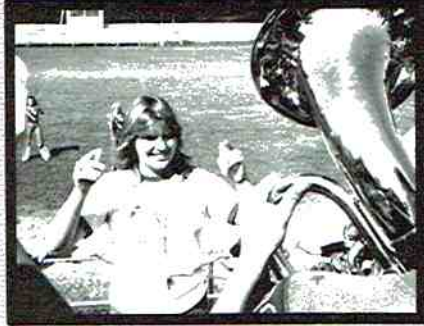

thin us

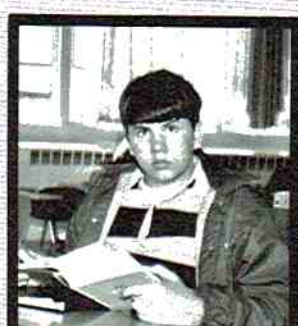

HAPPINESS is something that can be received by others in abundance but can never be replaced. Happiness cannot be bought for it becomes costless only when it is given away.

Time falls down like raindrops. Gentle sprinklings of youth.

MEMORIES FOR TOMORROW

Looking at living and feeling misgivings, knowing today you can change tomorrow, means life will always be for the taking, a world to be shaped into making.

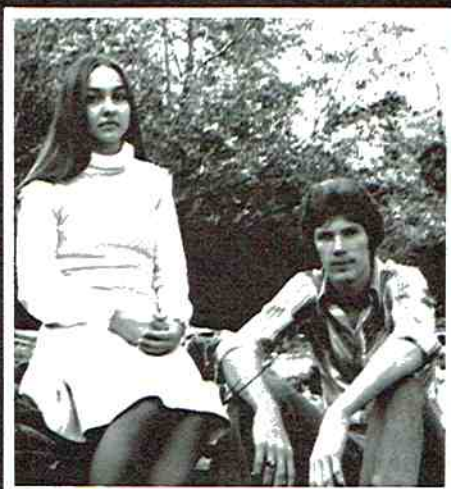

ways

Remembering your hopes for tomorrow, that came from the love of yesterday, prods me to believe today's worries are small, because our faith found roots yesterday.

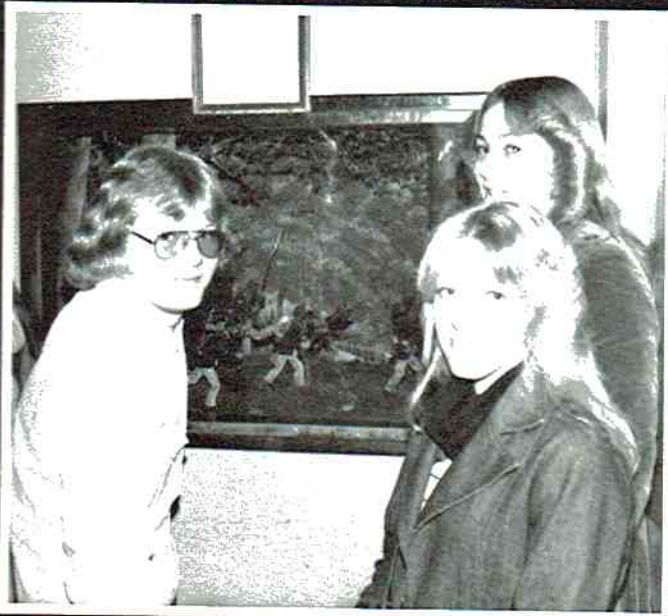

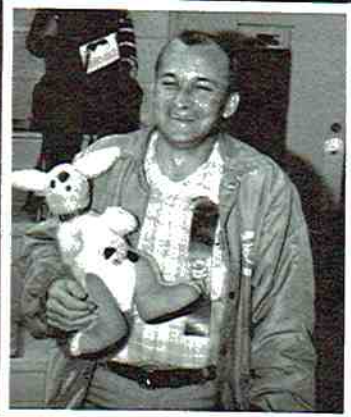

DREAMS are those little times of happiness that we always will remember. Dreams are talks from teachers to guide one through school. Those walks down school halls once more with a smile showing solitude.

Dreams are seeing youth and knowing they will grow in age and in knowledge. Dreams are studying to make it through all those years to say: We've made it.

Traveling down dusty trails **SEARCHING** to find my dreams, to find my green pastures and what life means. Living for a life somewhere ahead, I promised never to look behind.

1978 CAMEO STAFF

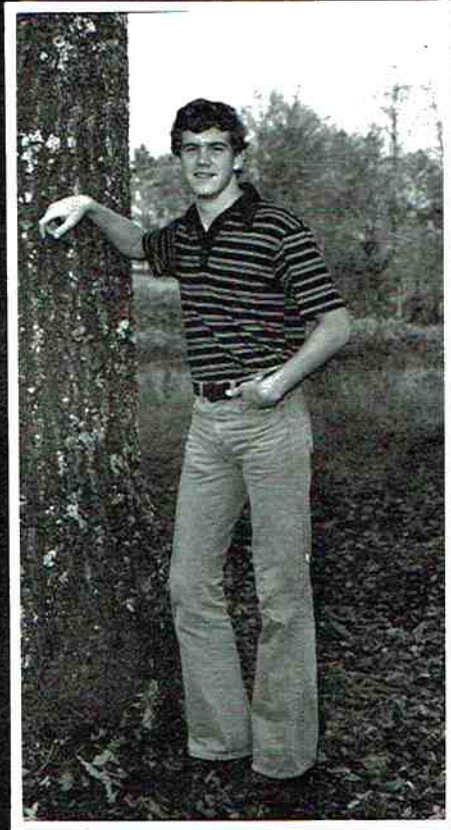

This year the NSM Student Council, faculty and administration approved the changing of the yearbook from **CAMERONIAN** to **CAMEO**. The yearbook staff proposed the name change and suggested **CAMEO** as the new name since the meaning of the word cameo is "a brief literary piece that brings into sharp relief the character of a person, place or event." We feel this is a suitable name of the NSM yearbook since the yearbook endeavors to capture the personality and events of a school year at North Sand Mountain High School.

SAND MOUNTAIN ELECTRIC COOPERATIVE

Rainsville, Alabama

BRENDA WIGLEY (seated center), a student at Sylvania High School, and MICHAEL LITTLE (standing center), a student at Section High School, were top winners in SMEC's 1977 writing contest. They won a week's sight-seeing trip to Washington, DC. SMEC engineers, Pam Jones (left) and Hazel Griffith (right), show Brenda and Michael how maps are kept locating each of the more than 19,000 electric services on the CO-OP's lines.

MICHAEL TINKER
Winner of \$50 Savings Bond
Rural Electric Writing Contest

Sand Mountain Electric Co-op salutes the students of North Sand Mountain High School. As young people you represent the greatest resource this nation possesses. With best wishes for a happy and productive life, we pass along this bit of advice from Thomas Edison.

- Always be interested in whatever you undertake, or may be doing for the moment.
- Don't mind the clock, but keep at it, and let nature indicate the necessity of rest.
- Failures, so called, are but fingerposts pointing out the right direction to those who are willing to learn.
- Hard work and a living general interest in everything that makes for human progress will make men or women more valuable and acceptable to themselves and to the world.
