IN MEMORIAM

The Senior Class of Paint Rock Valley High School, Princeton, Alabama wishes to dedicate the 1958 volume of our yearbook, Panorama, to the memory of our classmate, Carlos Johnson, who died September 10, 1957.

Carlos started to school at Paint Rock Valley High in the first grade and had gone through to the senior year here. He was active in basketball and baseball. He played on the junior high team and then on the senior high team. He was also a member of the Future Farmers of America and first class rank of Boy Scouts of America.

It is still hard for us to realize his smiling face and friendly greeting will be seen and heard no more. We loved him so much. His memory will live with us forever.
