AMERICA

The South — the Lan

Fried Chicken, hospitality, the traditional accent, and Southern Belles and gentlemen are rarities found only in the South.

The idea of womanhood is still respected by the people of the South.

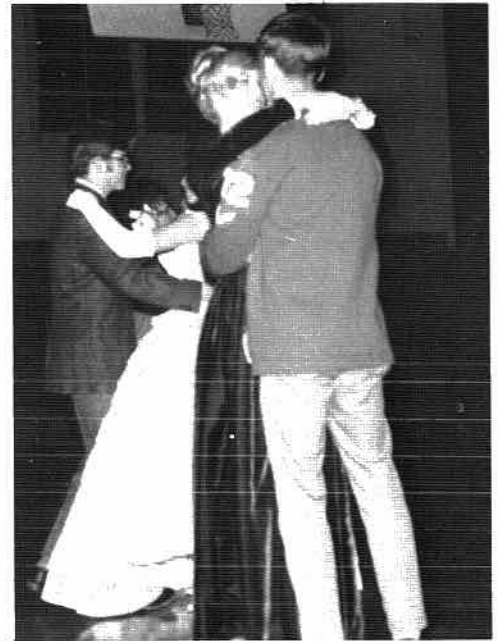

There is a special privilege that goes along with being a Southerner, that of feeling taller and stronger, having your heart beat just a bit stronger, and your mind filling with heroic sense of yesterday and today, when you hear such songs as "Dixie" and "South".

the Land We Love

The South was practically destroyed by the Civil War, but through the leadership of those great people and the guidance of God, we have developed into a rich and beautiful land.

Our heritage has implanted its roots deep into the lives of each one it touches. It has a special meaning of pride and honor.

We dedicate this yearbook to the SOUTH and its influential part of our American Heritage.

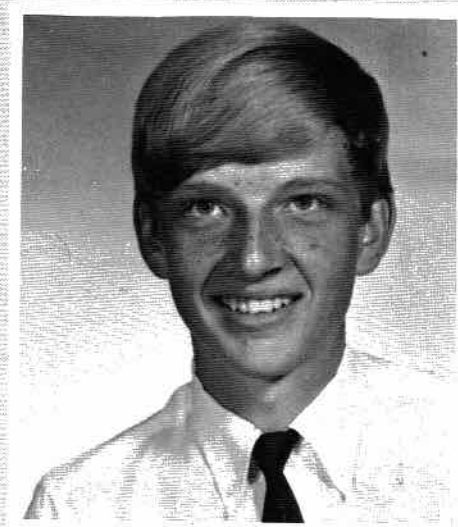

In Memory of

Fate has dealt a crushing blow to the class of '71 with the loss of two dear classmates, Ricky Smith and Myron Ferguson. Each held a special place in our class that can never be filled by anyone else. So we give this yearbook in their memory.

Dear Friends:

In the production of this yearbook your annual staff has endeavored to portray your school as it is: your classmates, your instructional staff, the buildings, the many activities that filled your hours with happiness and maybe sometimes frustration - for a moment, the many friends you acquired, the foundation you have laid for a full and productive life in the future.

If we have captured these moments for you, we have fulfilled our intent, we have hit the mark, but we hope you will be inspired to build a better life for you and those around you. If we succeed in this goal we shall be most grateful and will feel the many hours of labor spent in the production of this book shall not have been spent in vain but will be as bread cast upon the waters. So may it be.

Cordially yours,

Cecil A. Bearden

Counselor — Greg Gordon

COUNSELOR'S MESSAGE

As counselor of this school, I would like to congratulate the Seniors on their fine efforts throughout the past twelve years. Although you will find that going out into the world will not be as easy as life in school, remember, as Marden put it, "We win half the battle when we make up our minds to take the world as we find it, including the thorns."

Sincerely yours,

Greg Gordon

JOHN SWAFFORD FURNITURE CO.

Dear Friends:

If you need furniture come to see me. We carry the best, the cheapest that you can buy. We have eight floors in four buildings 1/2 block long. There is no place anywhere that you can buy furniture at the prices that I sell it. We specialize in selling by the houseful. It seems that everybody on the mountain has been down, but if you haven't come on down.

Sincerely,
John Swafford
