It is true, I never assisted the sun materially in its rising;
but, doubt not, it was of the last importance only to be present at it.

"I AM NOT AFRAID OF TOMORROW
FOR I HAVE SEEN YESTERDAY
AND I LOVE TODAY"

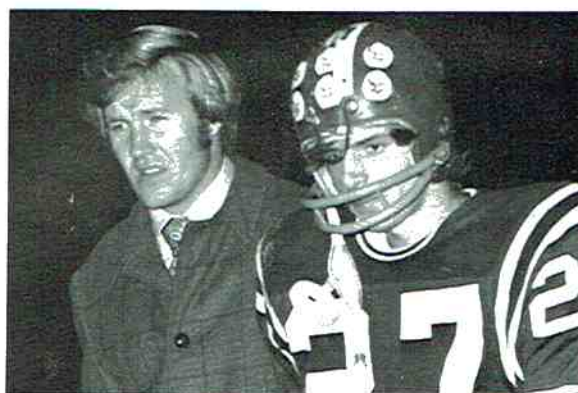

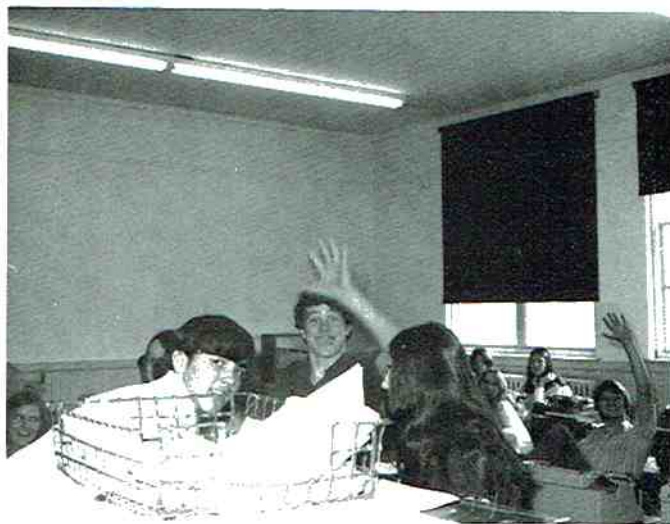

Everyday we walk
through the same doors,
sit in the same chairs,
and lean against the same lockers.
During our year the path
never changes,
only our direction and
destination.

Faces ... pleasant,
surprised, posed,
and priceless. The
faces of our friends ...
caught in a moment ...
captured for our memory.

Everywhere there are faces ...
some happy, some solemn with thought, some sad ...
but always they are there.
Faces are sometimes mirrors which reflect
what we see and sometimes windows
that let others see in. Do we know
the meaning of faces? Do we understand
the stories they tell?

Every part of nature teaches that the passing away of one life is the making room for another. The oak dies down to the ground, leaving within its rind a rich virgin mould, which will impart a vigorous life to an infant forest.

A day on the gorge filled with smiles, laughter, danger, breathtaking views with a little picture taking and a lot of confusion.

Miss Shelia McCarver — Homecoming Queen

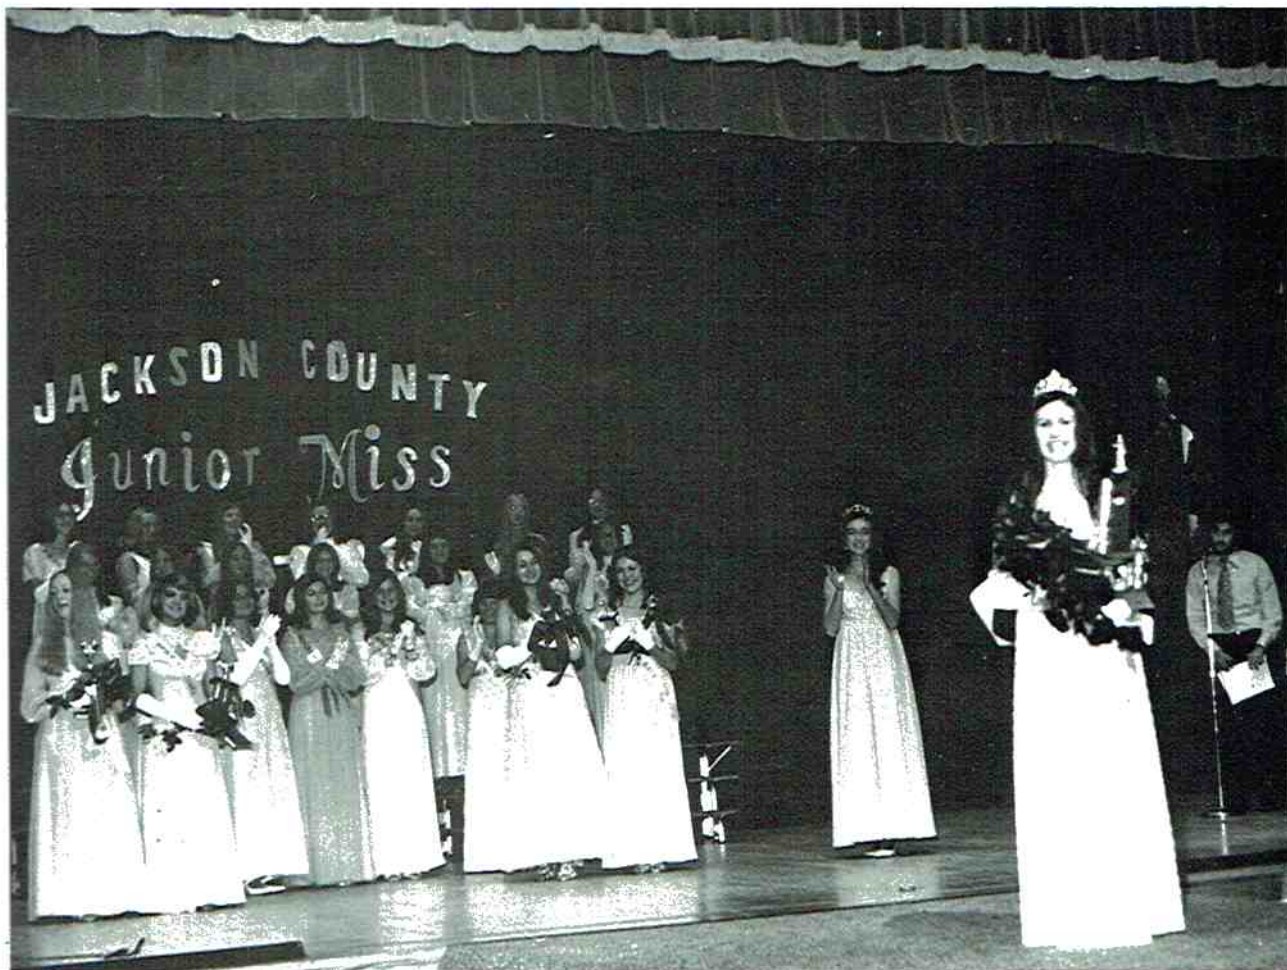

Jackson County Junior Miss

Miss Linda Gamble

Being chosen as Jackson County's "Junior Miss" has been one of the greatest honors and events of my life. Having this title is a privilege and brings many gifts as well as recognitions. Besides the material awards, it includes many rewards which money cannot buy. There are memory treasures of fun and exciting experiences, and so many wonderful friendships which I will never forget.

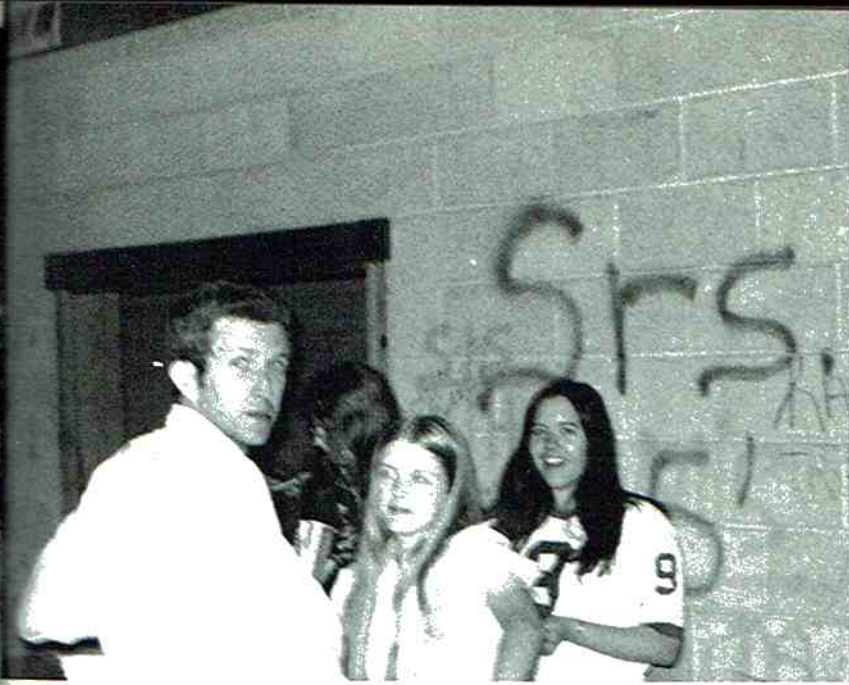

I was so surprised when I realized I had been chosen. The first thing I did was to thank God for allowing me to win the title; because I knew it was some way in His plan, will and purpose for my life.

I am proud of Pisgah High School and Jackson County, and I was grateful for the opportunity to represent them in the Alabama "Junior Miss Pageant" in Montgomery. It was a great experience. I would recommend any young persons participating in rewarding activities such as the "Junior Miss Pageant."

Linda

Once upon a time we lived with
hearts that raced and minds that
dreamed and clocks that had no
hour hands.

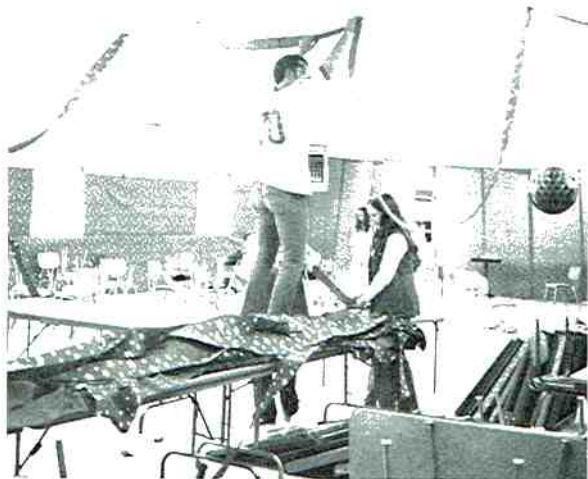

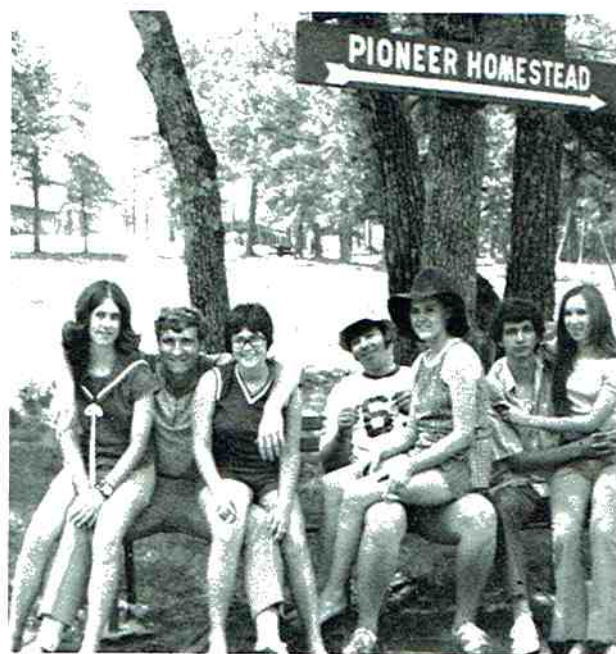

With common goals and common longings, we laughed, we loved, we played, we won. Those were our school days, our happy days. They were real because we made them real. They were alive because we existed.

Good, Bad, Maybe . . .

Rain for 13 Saturdays,
bad ...

Knowing which direction to
follow, good ...

Knowing the Prom will turn out
right, maybe ...

Wondering if the punch is
spiked, probably not ...

Getting that diploma,
finally ...

WORK OUTS, SOUR NOTES, AND BOOSTING EAGLE SPIRIT

The post-school hour is the period when activities happen. Many stay after school for one reason or another. This elite group is comprised of practicing football and basketball players, band members and cheerleaders.

The rewards of the time, the effort, the toil and the tears are all summed up with the word THANKS.

School days - 1973 ... filled with Beta
Initiation, Career Day, Letterman's
Dress-up Day, FHA Fashion Show, Red
Cross Blood Mobile, FFA-FHA Picnic.

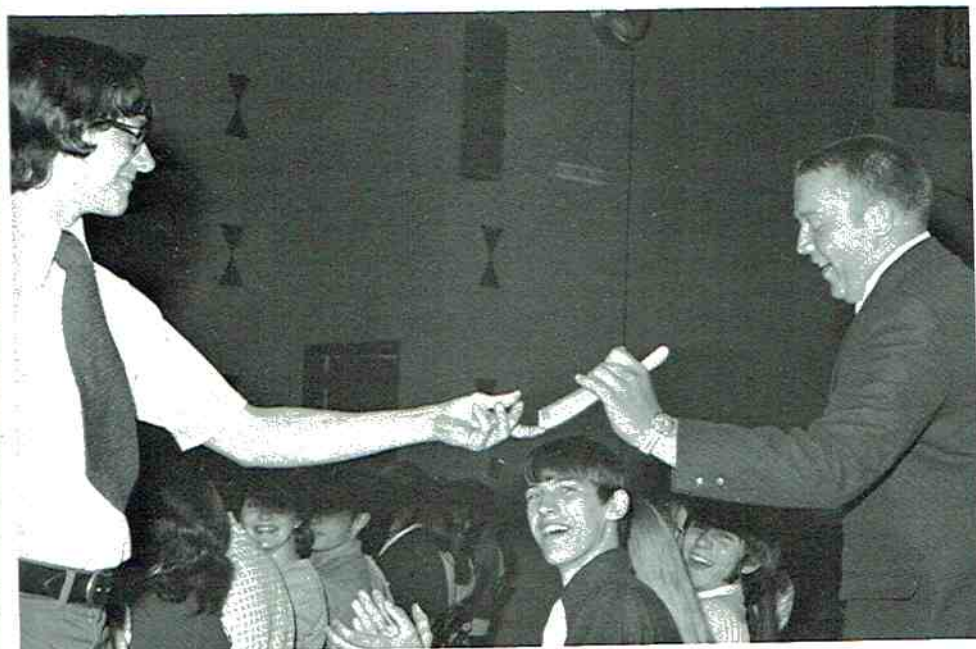

Mr. Beard is chosen as Jackson County's Outstanding Young Educator by the Scottsboro Jaycees.

School improvements will be made with the Board of Revenue check Mr. Mountain is signing.

Bruce, hope this helps to keep your hair out of your eyes.

Presents always bring smiles.

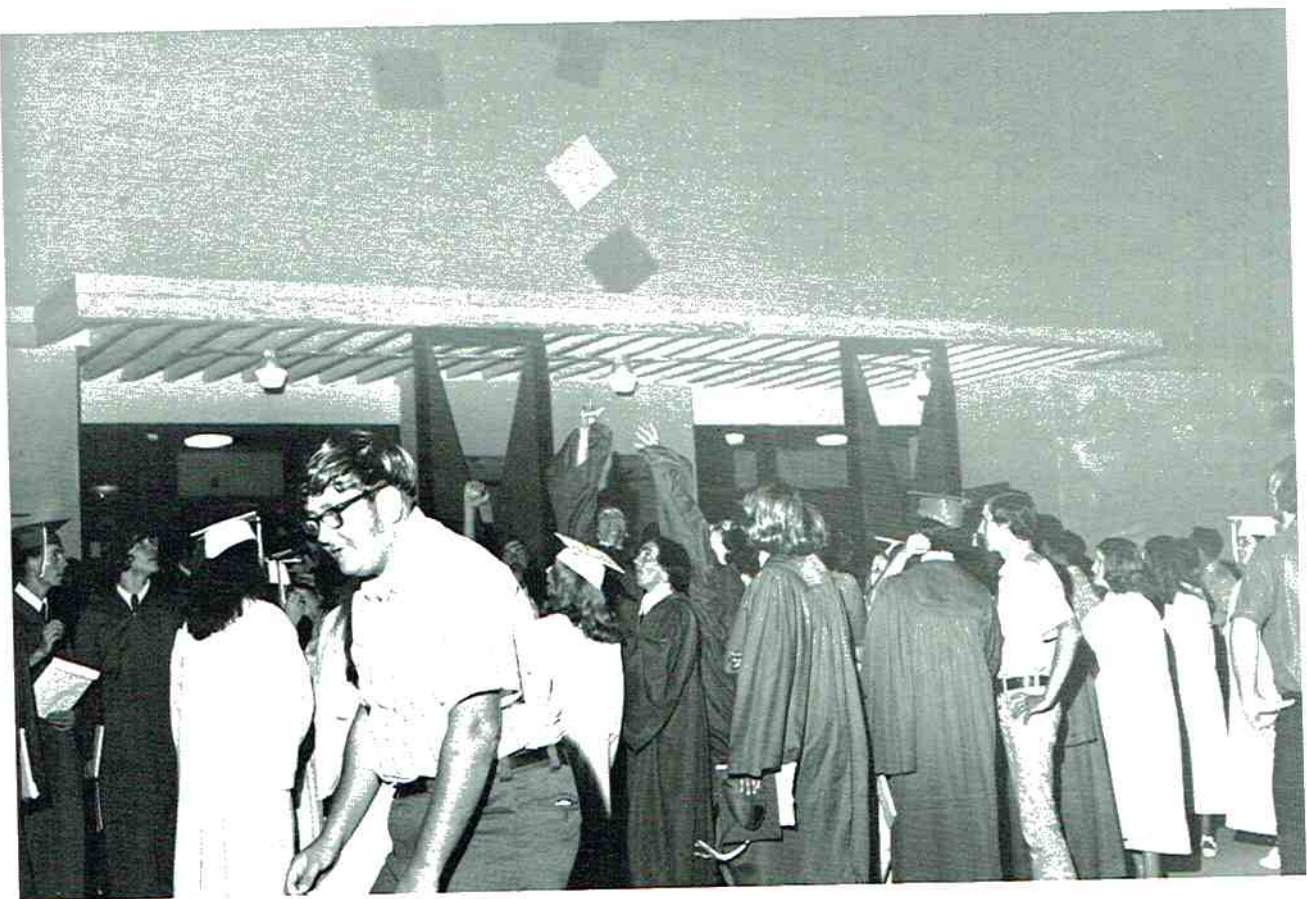

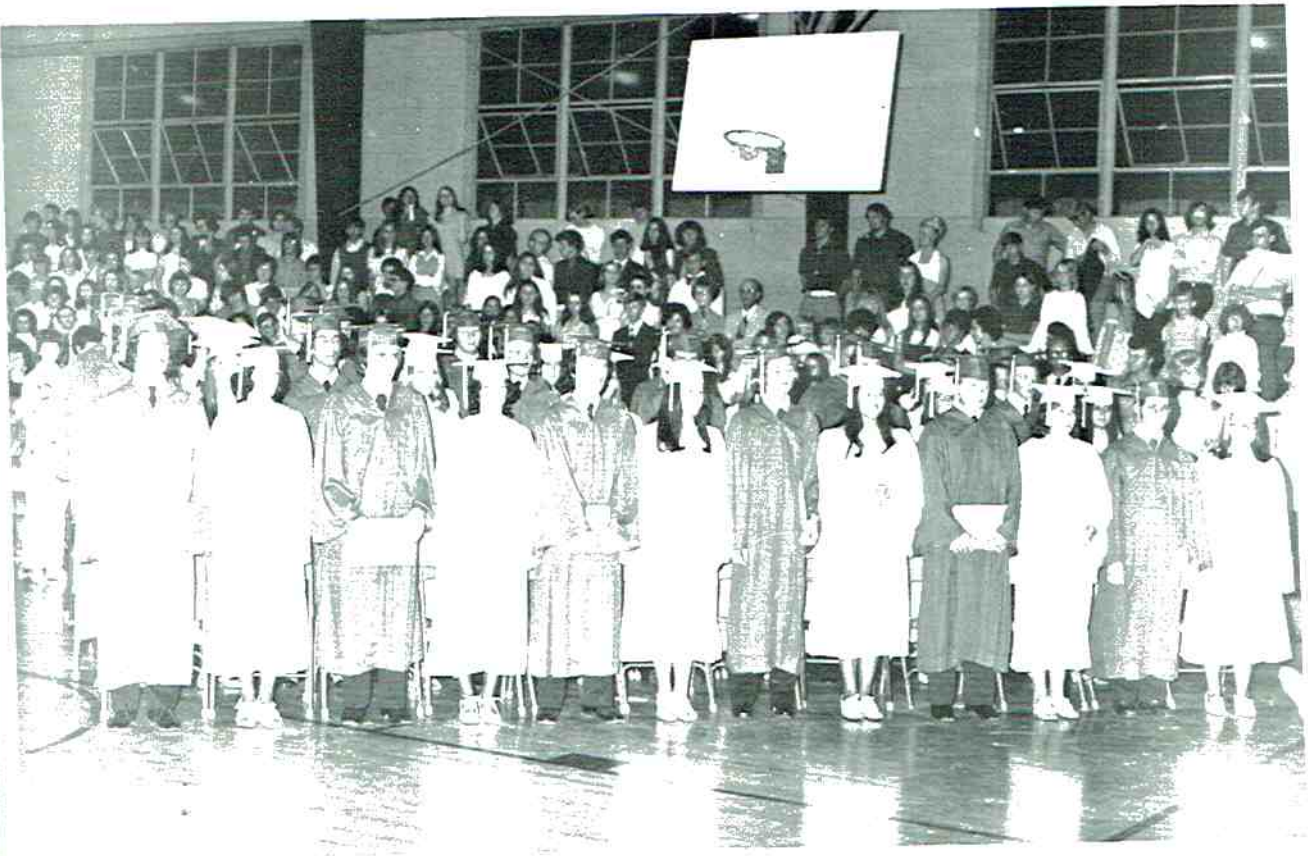

No there isn't a Hollywood talent scout in the audience.

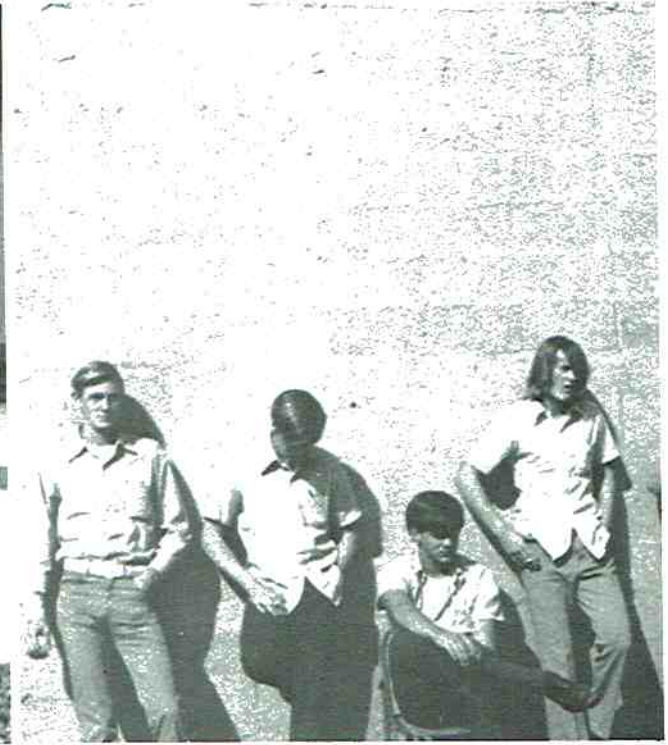

In years to come, as I look back, how will I remember? Will I remember the year as it was or as I had wished it to be? Will I remember only the happy time or the disappointments we also shared?

Will I recall the good times of shared laughter that came from such simple things as having a class picnic, or enjoying the fresh sunshine ? Was I alone or was I a real part of them? What will I remember?
