As we look back on our lives, the times we laughed and the times we cried, we realize that nothing was in vain.

We will never forget the  
friendships and smiles  
that we shared.

We learned not only from books,  
but also from daily experiences.

It all started as a dream,  
but we suddenly realized it would  
become reality.

Our happy times, our anxieties, and our fears  
seem like yesterday . . .

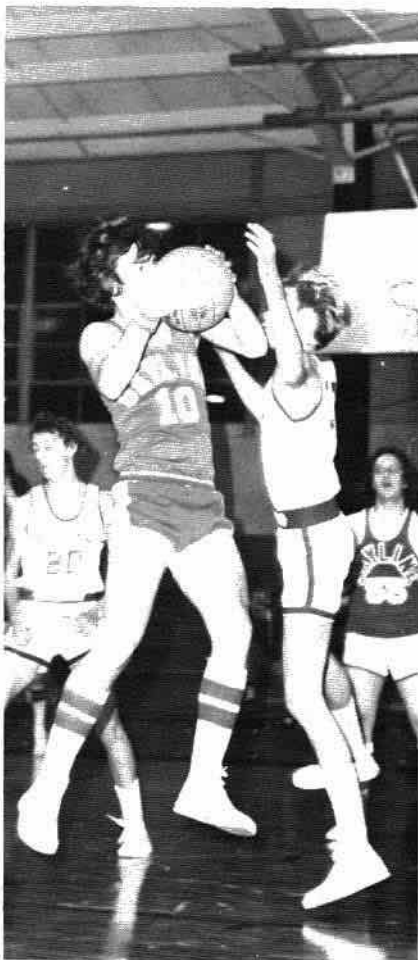

and we'll always  
wonder where  
they've gone.

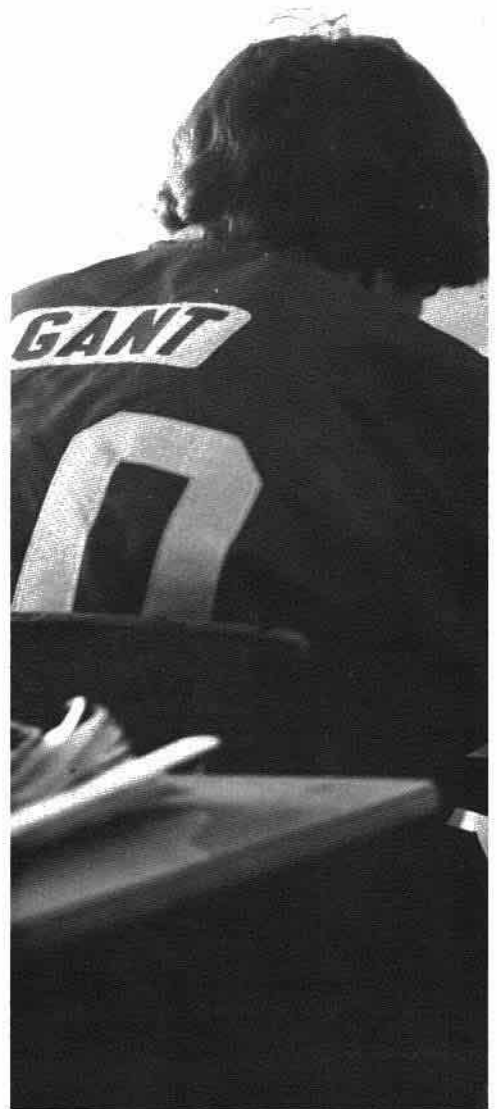

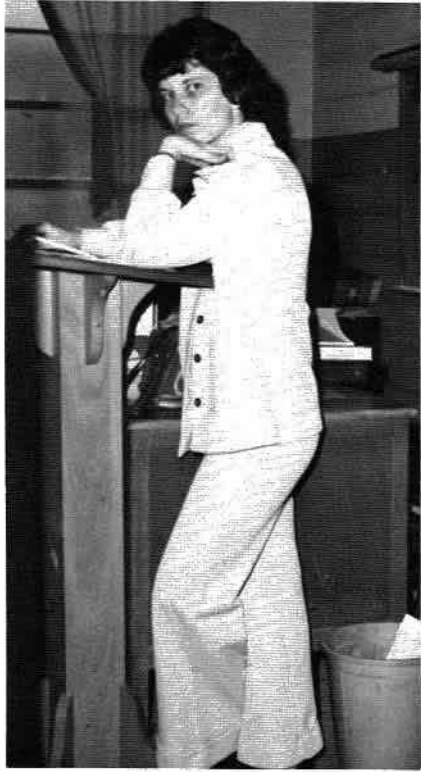

We faced new challenges every day;  
and each gave us another addition  
to our memories and left us wiser.

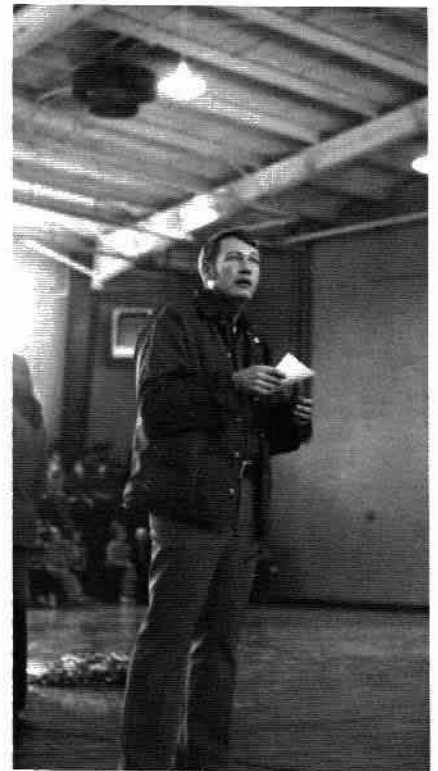

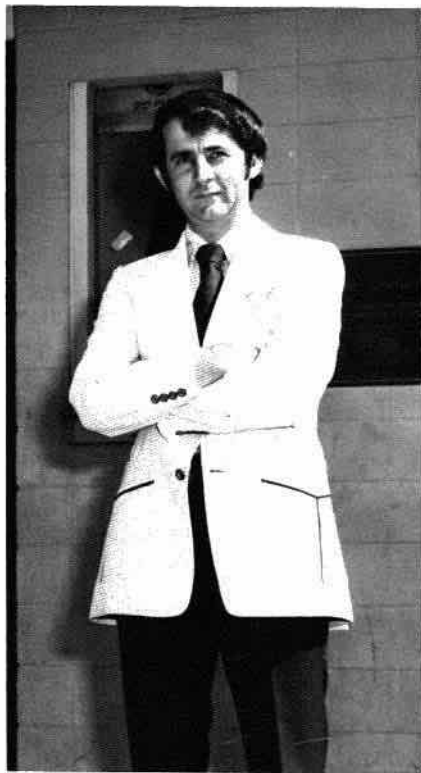

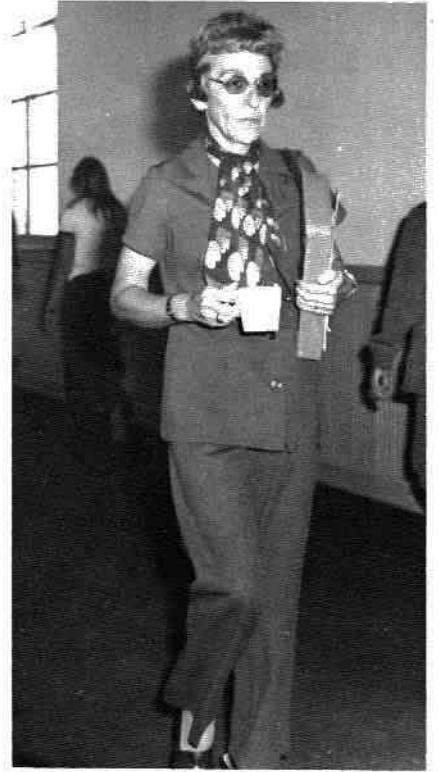

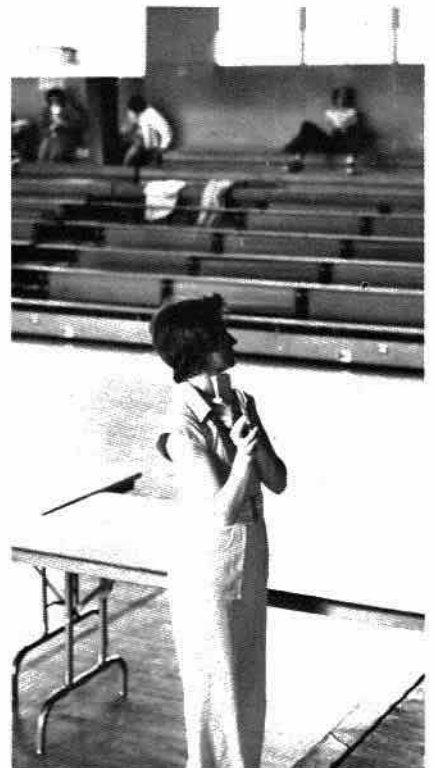

We must do our best  
to uphold our  
responsibility to the  
future as it bears  
down on us.

We respect the  
courage of our  
predecessors,

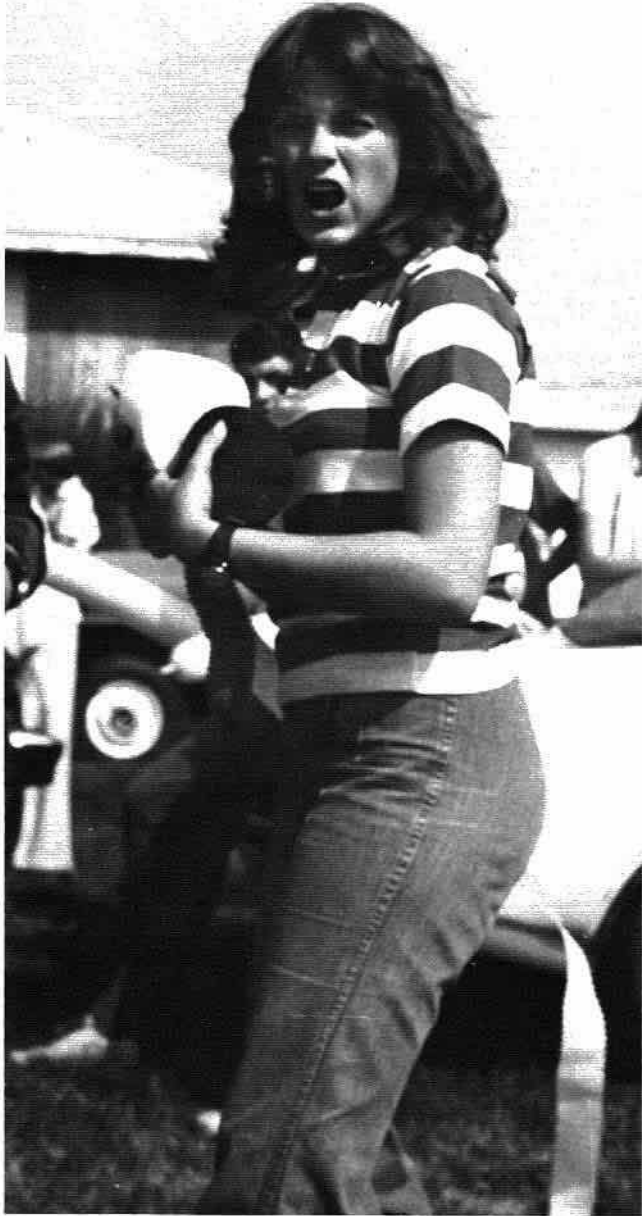

and we are grateful  
to them for carving  
a path for us to  
follow.

We will continue to search for answers to questions to the things we do not understand.

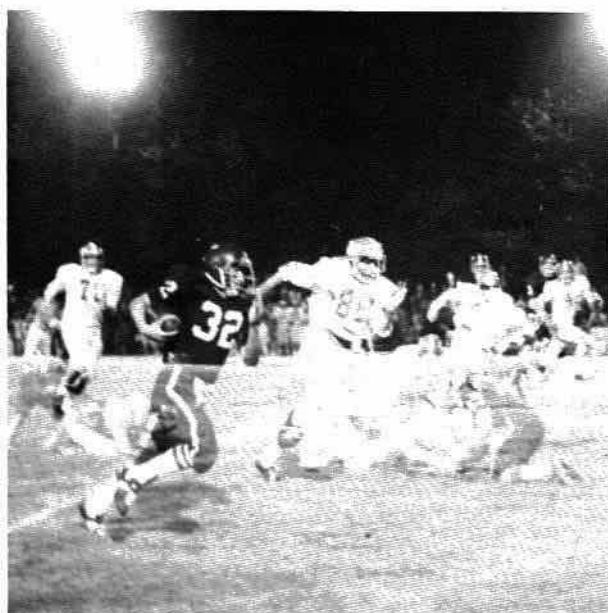

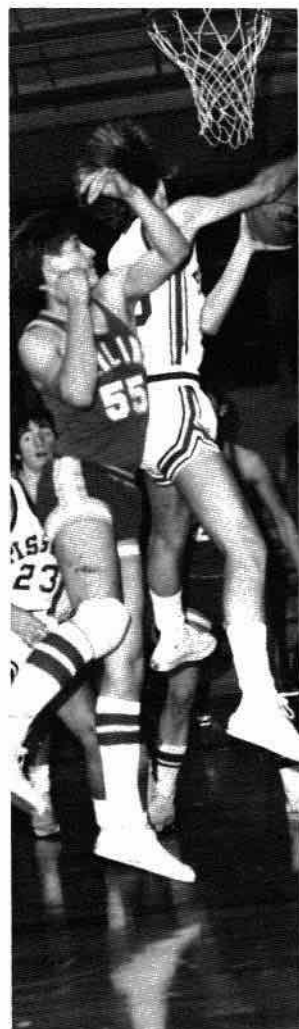

We must try not  
to judge others . . .

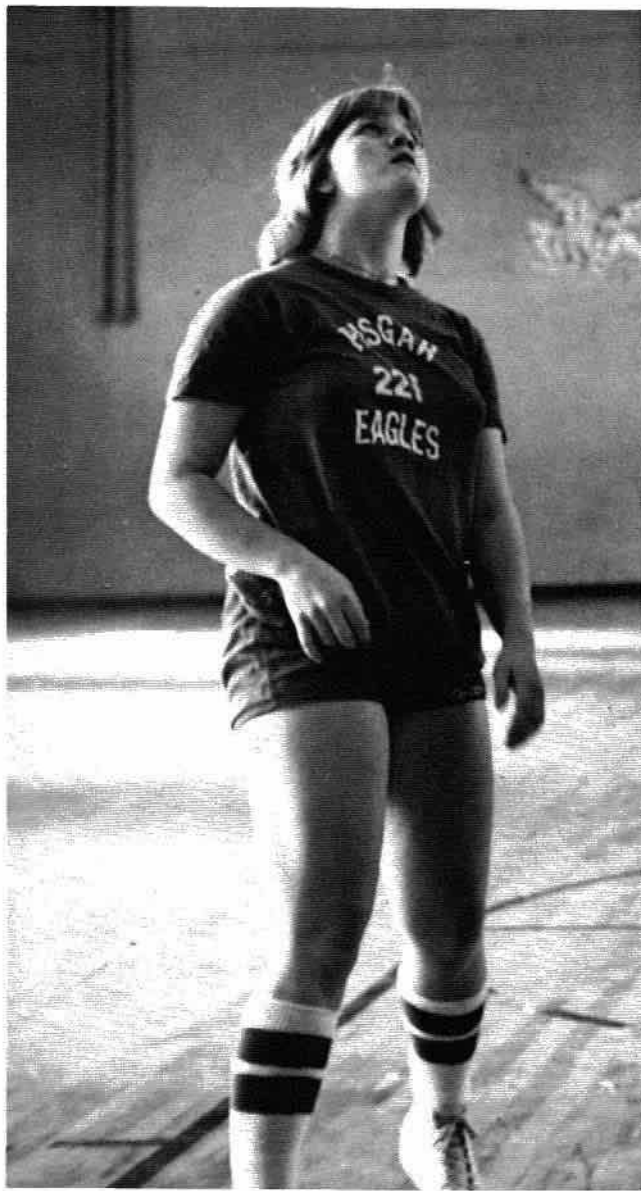

though we will always find those who are greater and lesser than ourselves.

We must never forget our God, for He is there to bless us in whatever we attempt to do.

Graduation is not only an end to twelve years of hard work and learning, but also a beginning to a new life.

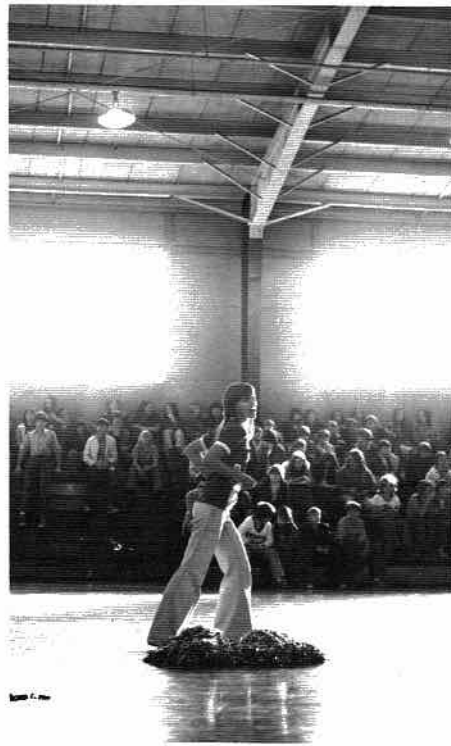

Look to the  
future,  
for the future  
depends on us.

But never forget our past heritage  
and what it truly means.

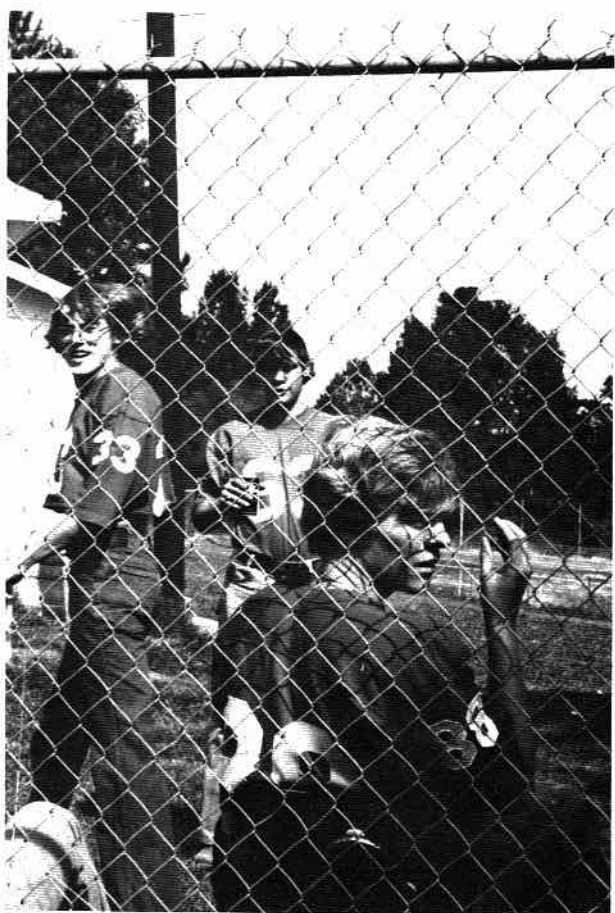

"Seeking means to have a goal, but finding means to be free."

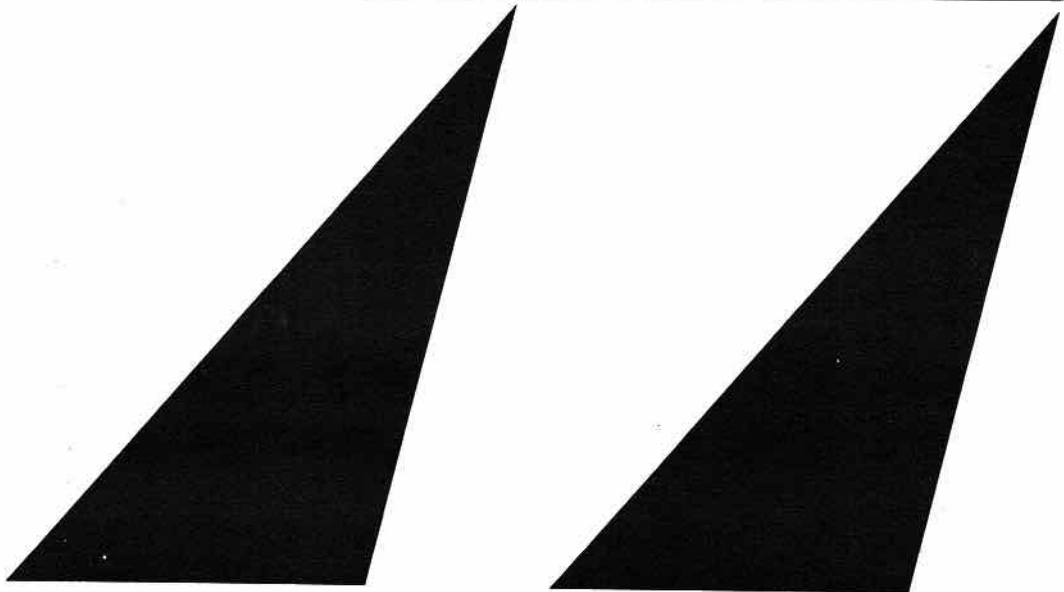

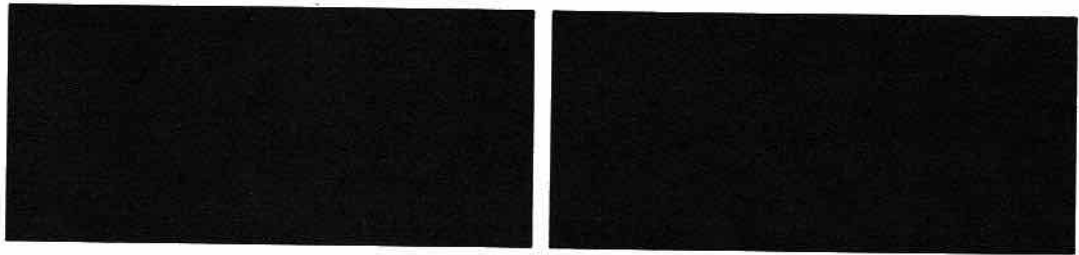

And we, the Senior Class of  
1977,  
are Free!

# Awards Day Winners

The Annual Awards Day was held to honor twelve years of hard work for many of our seniors. Students were chosen by their instructors as being the most proficient in each particular subject area. Those reaping the rewards for their dedication and hard work were:

AGRICULTURE	Wesley Barrentine
ATHLETICS	Donna Roden, Sammy Maynor
BAND	Shawnee Hancock
SCIENCE	Pam Carter
CITIZENSHIP	Wesley Barrentine
COMMERCIAL	Deborah Wright
ENGLISH	Peggy Clines
HOME ECONOMICS	Donna Foshee
MATHEMATICS	Ricky Deerman
SOCIAL STUDIES	Jo Ann Roberts
PHYSICAL EDUCATION	Jackie Cook, Nancy Brock
SALUTATORIAN	Ricky Deerman
VALEDICTORIAN	Deborah Wright
MOST OUTSTANDING SRS.	Wesley Barrentine, Jo Ann Roberts
SCHOLARSHIP	(These students finished behind the Valedictorian and Salutatorian academically in this order:) 1. Wesley Barrentine 2. Peggy Clines 3. Jo Ann Roberts 4. Dewayne Brock 5. Rita Cook 6. Donna Foshee 7. Karen Smith 8. Dennis Lester 9. Michael Rogers 10. Pam Carter

**'76-'77 Varsity Basketball**

The 1976-77 school year marked the beginning of an avid interest in girls' athletics. Pisgah High School's girls' basketball team, composed of Seniors Nancy Brock and Donna Roden (Most Dedicated), Juniors Donna Fleming and Tammy Manning, and Sophomores Arnette Marona (Most Improved), Merry Ann Thornhill, and Rosemary Tripp (Jackson County's Most Valuable Player) compiled an admirable record. We regret that individual pictures of the girls are unavailable, but we, the Annual Staff, wish to join the student body, faculty, and community of Pisgah in commending these girls for a job well done.

LISTEN!

At your graduation exercises, the commencement speaker will say something to the effect that "the future of this nation is in your hands" or "you are being given a great challenge."

They always say things like that at graduation exercises. It seems to be the thing to do. They've said it so much that most folks expect it and don't even hear it. That's bad . . . Because it's true.

The Future is in your hands whether you hear it or not

. . . and whether you hear it or not  
Do Something about it . . . LISTEN.

# SAND MOUNTAIN ELECTRIC COOPERATIVE

Best Wishes to the Pisgah Eagles  
and  
Congratulations to the Class of '77  
PLEASE BE CAREFUL AROUND ELECTRICITY

## Electricity Can Kill

With the increase of C. B. radios there is an increase of deaths related to them. The deaths occur when antennas are being installed and come in contact with electrical lines. Many accidents involve antennas and overhead lines. The result is severe burns or death. When installing an antenna of any kind, always make sure there are no overhead lines within reach of the antenna.
