

EAGLE

**SOVEREIGN
CROWN**

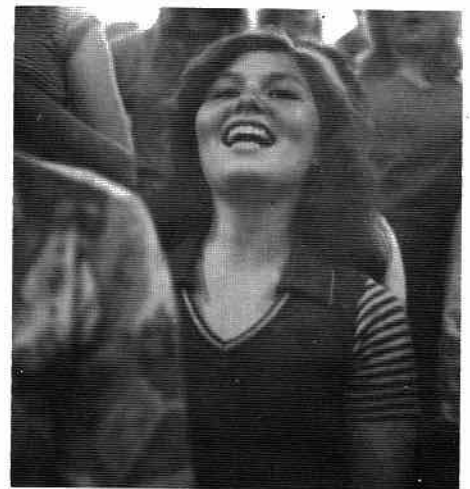

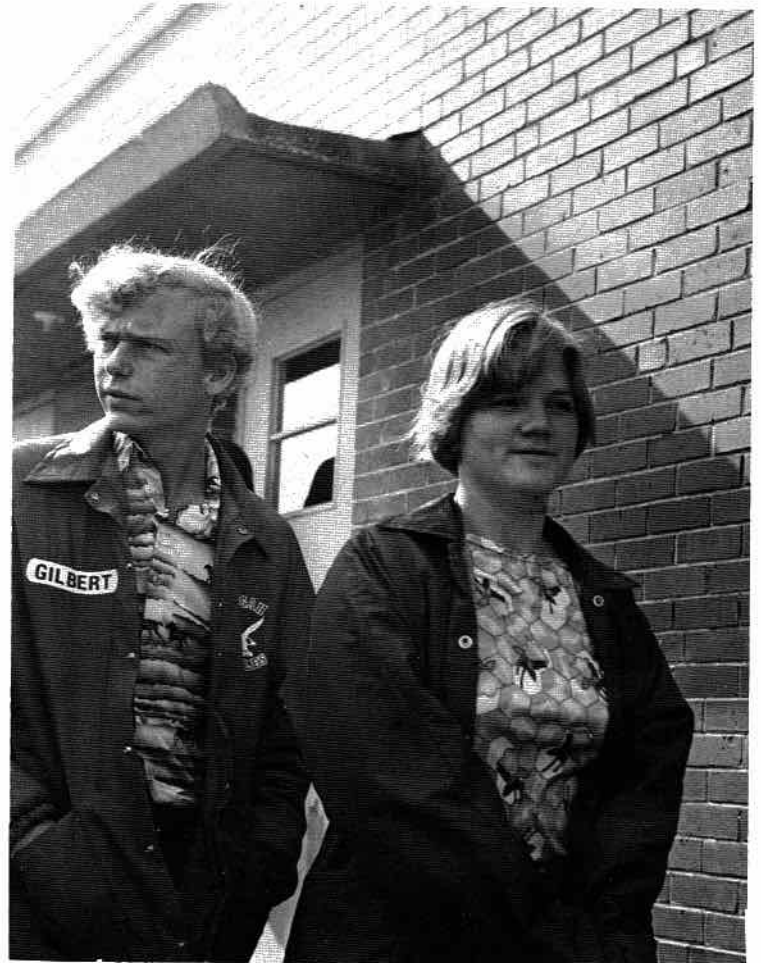

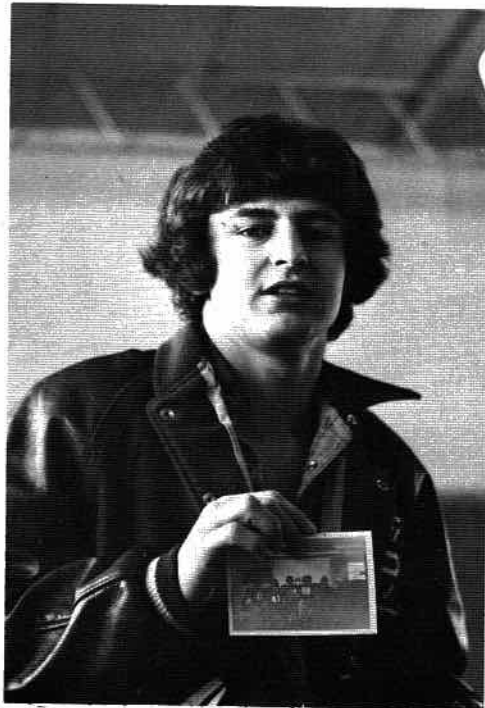

THE EAGLE

PRESENTED BY THE 1977-78
EAGLE STAFF

LOOK FORWARD,

As the grains of sand run
out of the hour glass,

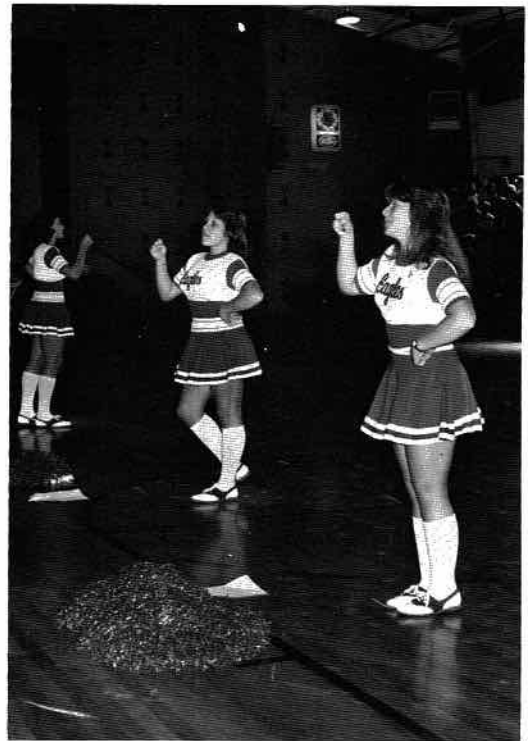

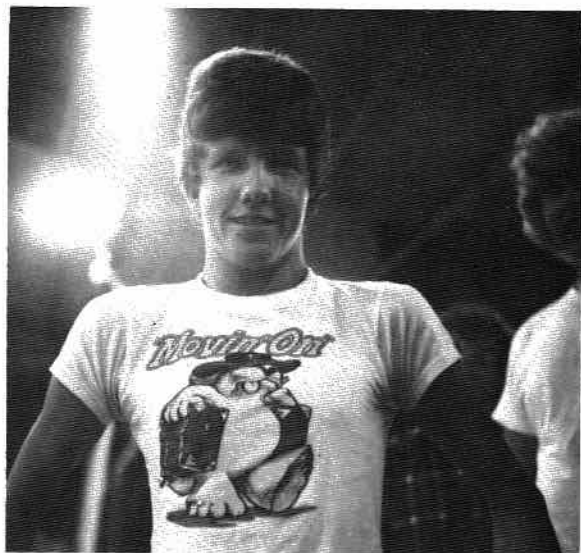

These precious moments are fleeing.

We try to grasp it,

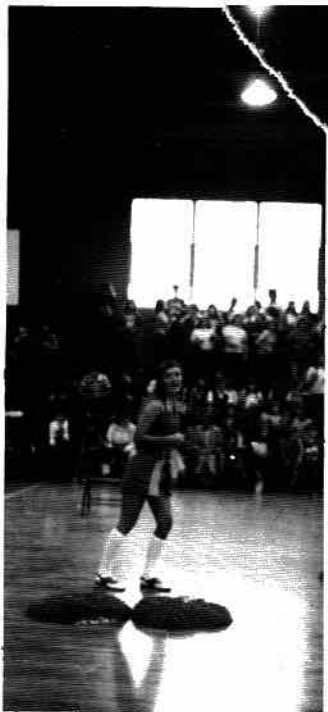

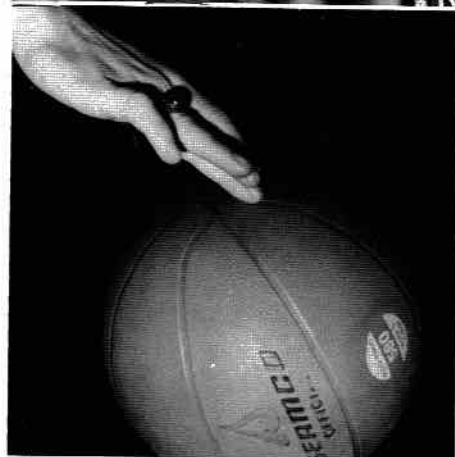

But let it go.

But let us not be selfish,

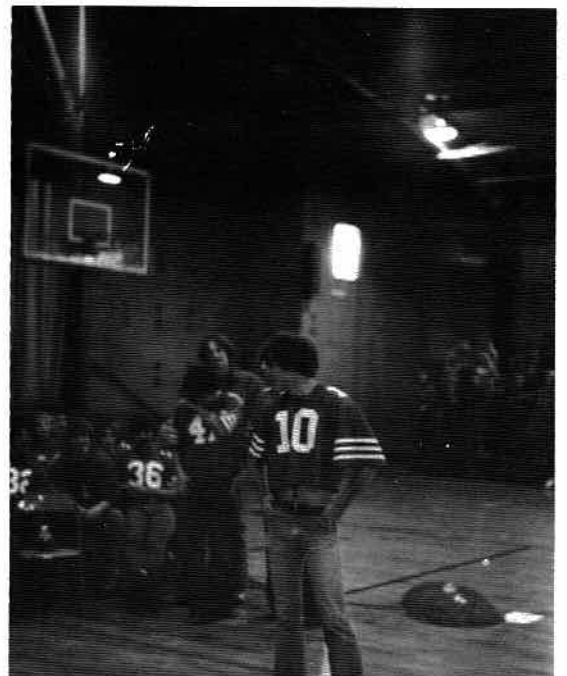

We are
tomorrow,

But there is also the next day.

Let this be a blithsome time.

We must take pains
not to remember our
disgruntled feelings
and only remember
our dreams here.

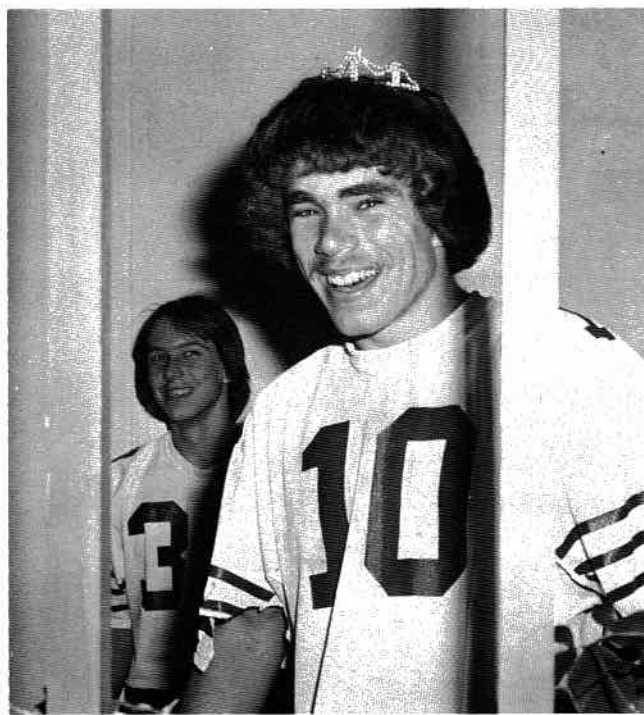

Forget us, we'll soon be gone.

Forget we were ever here.

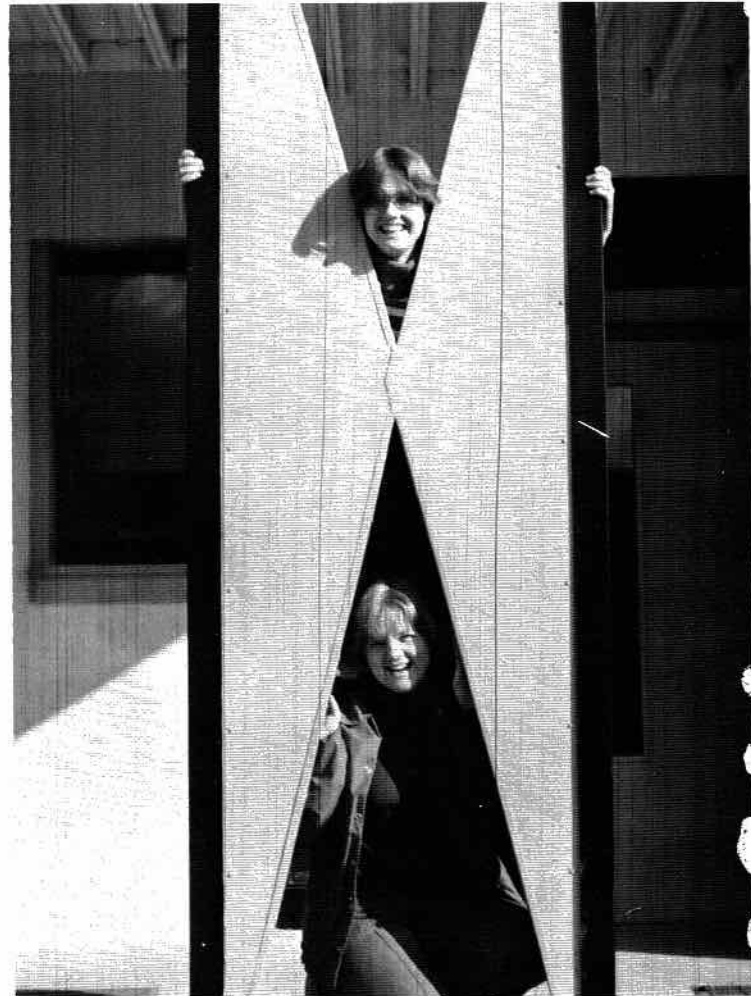

But these empty halls will echo
with laughter,

We, the class of '78

will leave P.H.S. for
the last time,

but the cycle will go on, and we'll
stare out into eternity never to exist
as a whole again.

Listen!

At your graduation exercises, the commencement speaker will say something to the effect that "the future of this nation is in your hands" or "you are being given a great challenge."

They always say things like that at graduation exercises. It seems to be the thing to do. They've said it so much that most folks expect it and don't even hear it. That's bad . . . Because it's true. The Future is in your hands whether you hear it or not.

BRENDA WIGLEY (seated center), a student at Sylvania High School, and MICHAEL LITTLE (standing center), a student at Section High School, were top winners in the 1977 SMEC writing contest. They won a week's sightseeing trip to Washington D.C. SMEC engineers, Pam Jones (left) and Hazel Griffith (right) show Brenda and Michael how maps are kept locating each of the more than 19,000 electric services on the co-op's lines.
