*With honor, respect and
love this yearbook is dedicated.*

A black and white photograph of a school hallway. The hallway is long and brightly lit, with a polished floor that reflects the overhead lights. On the left side, there are lockers and a row of chairs. On the right side, there are more lockers. In the distance, a set of double doors is visible at the end of the hallway. The title "Table Of Contents" is printed in a large, elegant, serif font across the upper middle of the image. Below the title, a table of contents is listed in a similar font, with dotted lines connecting the category names to their respective page numbers.

It's time for us to say good-bye.

Although it will be a sad event for us to leave, we are ready and willing to get out of this place for good. We've been here for twelve long years filling our little brains with all kinds of information and getting prepared to face the world on our own. Each one of us has seen the other grow up in more ways than one and we'll never forget it all. Someday we'll look back and laugh about it. But right now we've got to get up on our own two feet and make something out of ourselves. We've got to put away our childish dreams, look to our future, and make it happen!

After years of being at Skyline and ranking as high only as assistant coach, Coach Sam Cain was our varsity team's Head Coach. He gave orders and they were fairly well followed out, he has brought spirit and strength to our team. Coach Cain says he wants to be back at Skyline next year and hopes next year will be even better. We're proud of you Coach and Good Luck!!!

This year we received a new girl's coach, Randall Kennedy. This was coach Kennedy's first year to coach, he has really showed us he really worked with the girls. For Coach Kennedy's first year his season's record was nine wins and nine losses. Coach Kennedy we wish you the best of luck in the future.

One of the new additions to Skyline's faculty in the 1978-79 school year was Coach Billy Beavers. Coach Beavers brought authority to boys P.E. class, interest to the junior high's English class, and victory to the Jr. Boy's basketball team.

He enjoyed the spirit of Skyline and plans to come back and be with us next year. We all hope he does, and best of luck Coach Beavers!
