Beta Club at work

## Beta Club

The purpose of the Beta Club is to reward merit, encourage effort, promote good citizenship, and elevate the moral welfare of high-school students. The Club has taken as its projects for this year the improvement of the school library through the purchase of film strips and books.

### OFFICERS

MOTTO - "Let us lead by serving others"

## *Library Club*

The Library Club was organized for the purpose of stimulating an interest in books and good reading, and for formulating a workable plan for improving the service of the school library. The group has as its projects for the year: the classification and cataloging of books already in the school library, a listing of fiction by grade levels and by subject matter, an expansion of the library, and an improvement in our library service. The members of the club are chosen for their special abilities and interests in literary work. Those selected for this honor are considered apprentices until their service, interests, and aptitudes have proved their merit as members of the Library Club.

### OFFICERS

President - - - - - Una Jones

Secretary - - - - - Mary Tom Williams

Vice President - - - - - Jean Caperton

Treasurer - - - - - Bette Lillard

## *Citizenship Club*

The Citizenship Club is one which is newly organized at SHS. There are fifteen charter members, five from each of the senior classes. The members were chosen by the faculty according to their good character, dependability, service, leadership or a good follower, and their patriotism. New members will be taken in as they prove themselves worthy. When new members have been voted on by the club and faculty, they will be tapped in assembly.

# *Future Homemakers of America*

The Stevenson Chapter of the F.H.A. became affiliated with the organization on the State and National level paying dues for twenty-one members.

Our program theme for the year is "Seeking Old and Precious Values". Through programs and activities related to the home we learn to appreciate values. As we work on Chapter activities, a record of work is kept for achieving the Junior Homemaker degree, Chapter Homemaker degree and the State Homemaker degree, which is conferred at the annual State meeting in Montevallo. Beatrice Goff is working toward this degree. Projects chosen for the year: participation in National F.H.A. week, contribution to the Mary Liny Haley Gift Scholarship, selection of Miss Alabama Future homemaker, development of local talent, and improving the kitchen laboratory. Our chapter entered an exhibit at the Alabama State Fair, for which we were awarded the first place prize.

## *Future Farmers of America*

The Stevenson F.F.A. has had a very successful year. The total membership is 63. Twenty-seven boys entered the 100 bushel corn club with Billy Jack Owens winning a registered Duroc gilt for the highest yield. The chapter produces corn, hay and pasture crops on 20 acres of land leased from the T.V.A. which adjoins our school property. The chapter topped our hogs getting total receipts of \$914.56. The chapter has made observation trips to Huntsville, Nashville and Milky Way Farms. Numerous projects have been set up for the current year, among them are: participation of forestry program, cooperation in community service, progressing toward individual goals through a definite planned program.

# Happy Valley FARMS

Rossville, Georgia

## MAKING THE GOOD EARTH BETTER

Low cost electricity does more than make farming more profitable. It encourages farm practices that build up the land instead of tearing it down . . . It gives the farmer the strength of many men. No other source of power serves so well or at such a low price.

Many of our farms do not have this valuable farm hand, but electrification is going forward as fast as materials become available. This is one of your power distributor's most important contributions in making this a better place to live.
