A black and white photograph of a snowy winter scene. In the foreground, there is a wooden structure, possibly a fence or a bench, partially covered in snow. The background is filled with bare trees and a dense forest, all heavily laden with snow. The overall atmosphere is quiet and serene.

1983-84 Homecoming Queen  
Miss Cynthia Ann Houser

The Crowning

The Queen & Escort

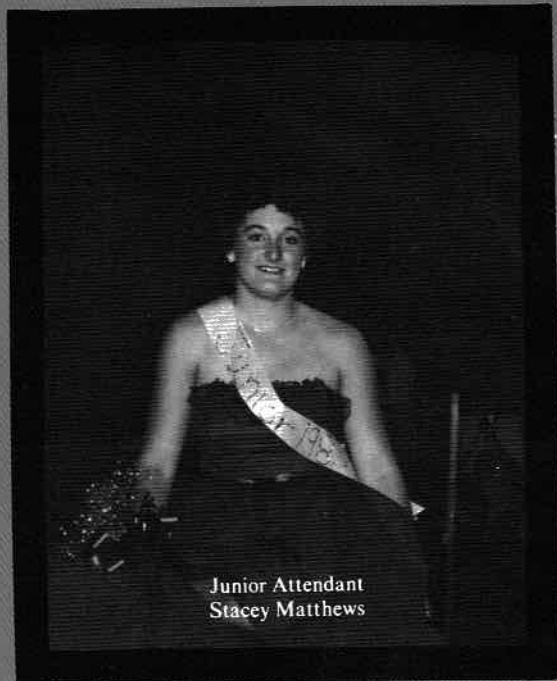

Crown Bearer

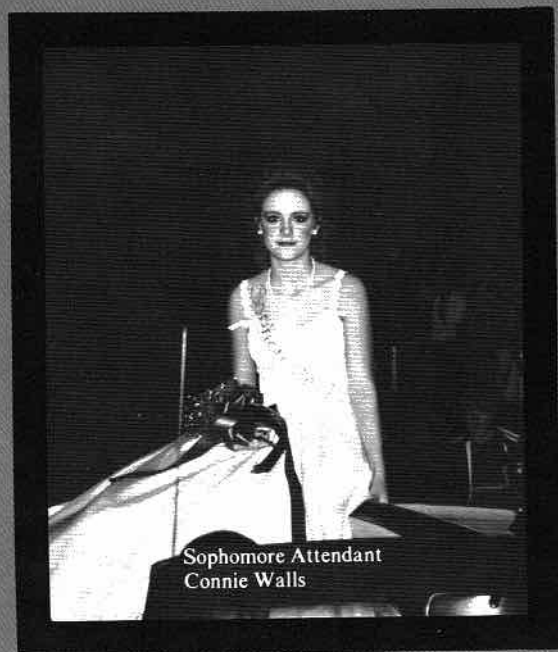

Miss Cynthia Houser was chosen by the student body as the 1983-84 Homecoming Queen. This year the attendants were escorted by their fathers, as a new tradition began. The 1983 Homecoming theme was "Memories." In keeping with this, the SGA extended a salute to the Homecoming Queen from 1973-1982. The festivities began with a parade, and ended with a dance sponsored by the SGA.

The Future Homemakers of America has long been an active organization at Stevenson High School. Throughout the years, we have seen many students learn the basic skills of cooking, sewing, ceramics, and stit-chwork. Thanks to the help of Mrs. Bettye Cornelius, these students have prospered, and are now capable of being "perfect homemakers," of their own home and family. Thank you, Mrs. Bettye.

Friends, Fellow Classmates, and Faculty,

My staff and I have worked diligently to capture the memories of this past year. As you venture through this yearbook, I trust the events and happenings of this year will remain with you forever. We wish each and everyone of you the power to fulfill your dreams; for all things are possible for those who believe:

“The important thing is this; to be able at any time to sacrifice what we are for what we could become.”

Happiness always,  
Kathy Cobb
