Office of the Principal
WOODVILLE, ALABAMA

Thanks to the annual staff and sponsors for a year well done. In regarding the life of our school, I am sure that this annual will serve as a reminder that we must continually grow and to changing conditions, if we are to grow and to changing times in a changing society, live happy conditions, let us not forget that our students, let us do not change as others principles do, as we grow spiritually, we must continue to grow mentally and morally.

Let us strive to keep Woodville High School as we do our home and our church, an institution that will help us grow in these aspects.

SPONSORS' MESSAGES

To the Senior Class of 1966:

I wish for you the best in life. May you go out from this school with the feeling that you can and will do something great. I know that you have great capabilities to work and build a life that will not only benefit yourself, but your family, your friends, and your community.

I hope in these years that I have had you in my classes, that I have said something or done something that will benefit you in the years to come. You have become a part of my life. I hope that in some way I have become a part of yours. Best of luck to each of you!

Sincerely,
Virginia Skelton

To the Senior Class of 1966:

I would like to congratulate you on the successful completion of your high school work. As one of your teachers and sponsors for the past two years, I have enjoyed working with you.

Some of you may continue your education in college; others may accept a position; but whatever your path may be, I hope I have been able in some small way to help you equip yourselves with the essentials to grasp the opportunities that this great country of ours offers.

In your endeavors throughout life, I wish for each of you much happiness and success.

Sincerely,
Virginia Smith

IN APPRECIATION

THE HOME

THE SCHOOL

TWO GREAT INSTITUTIONS THAT HAVE BROADENED OUR
LEARNING

WE, THE SENIOR CLASS OF 1966, EXPRESS OUR
APPRECIATION OF BOTH

We, the Senior Class of 1966, deeply thank the faculty for helping us during our long struggle. Your kindness and consideration, your help, and understanding during our time of need has been, and will always be a rewarding contribution. Through your efforts, our minds have been greatly broadened; our lives made happier and our future made easier.

We would also like to thank our loving parents for the endless things they have done. At times we may not have agreed with their decisions, but as time elapsed, we found that they were for the betterment of each of us. With their guidance, love, and discipline, we are made better seniors, and we hope, better citizens for future years.

With all our hearts, we deeply thank you both.

CLASS PROPHECY

I now turn the key that unlocks the future of the class of '66 and I see the Senior Class as ten years of life have passed for each.

I, Ronny Whitaker, a prominent brain surgeon at Blair General Hospital, on my two weeks vacation, return to see how my old classmates have prospered in the past decade.

I stopped by to see my old friend, Mayor Ronny Allen of Paint Rock, Alabama, and he told me that Paint Rock has a new fire hall and that Ivan Nash is the new fire chief. I also learned that my very good friend, Rosemary O'Neal, has finally put her natural ability of arguing to work and now holds the position of prosecuting attorney for the city. I was stopped by a police car when leaving, and to my great amazement and joy, it was none other than Chief of Police Mike Elkins, and his chief deputy, Jerry Elkins.

On arriving in Woodville, I stopped by to see Peggy Page, now sole owner of the Woodville Beauty Salon. Her head hair stylist is none other than Vida Maynor, who is now living in Long Hollow with her husband and six children. I went by the Hass Cafe to get a bite of lunch and had a chat with the owner, my old friend "Bug". I also got to see Mary Alice James and Joan Jenkins, who are head waitresses at the cafe. Bug's head chef and his assistant are none other than Johnny and Carolyn Rousseau. While I was in Woodville, I stopped by the school and found to my surprise, that Nancy Collins and Linda Shelton are now members of the faculty. I was also able to see Principal Ray Berry and the Girls' P.E. teacher, Carol Reed, who also works part time as a popular dance instructor at the Woodville Dance Studio. I went by the Hodges' Car Lot to see Laddie and found that his head salesmen were none other than Sammy Gentle, present mayor of Limrock, Larry Hill, prominent farmer on Nat Mountain, and Glenn Lewis, father of three and prize winning hog raiser. Before leaving Woodville, I went by to see Kenneth Jones, Edward Wright, and Eugene Powell, joint owners of a huge cattle ranch, located in the Woodville community.

I left Woodville, and on arriving in Limrock, I stopped by the Hooper Billiard Room to see Tommy. I found that his chief customers were Julian Burgess, James Pritchett, and Charles Buckner, who are all prominent farmers in the Limrock community. While there,

CLASS PROPHECY - - - Page 2

who should I run upon but Roy Lee Stewart, present game warden for the Aspel TVA refuge. Roy Lee tells me that Janet Thompson, Brenda Webb, Rose Chambless, and Carol Benson are, to my great surprise, housewives, happily married, and with a family. Before leaving Limrock, I was able to see the sponsors of Limrock's not too well known Minor League Baseball team, Gene Stewart and Randell Kennedy. Just as I was preparing to leave, I ran upon the community's pride and joy, the "Lovebugs", a rock and roll group, consisting of Richard Rousseau, Cherry Frazier, Alice Gentle and Alvin (Sleepy) Baker.

Sadly I left Limrock, and on arriving in Scottsboro, I learned that the city had been made a bit richer by the addition of Johnny Dolberry, No. 1 electrical engineer, and Carl Austin, who is now test pilot for the Scottsboro Air Base. I knew that fast driving would finally go to some use. I was surprised to find Steve Helms as Police Commissioner for Jackson County, and was more surprised to find Linda George as his No. 1 investigator. The biggest surprise came when I found shy, sleepy, drowsy-headed Willard Bellomy, to be the most sought after bachelor in Harvey Town, Alabama.

As I leave my old friends, I can't help but wonder what the next decade will bring. No one knows what the future holds, but we can always look to the past with fond memories of the class of "66".
