“The 1968 Panther”

Dedication

It seems as if it were only a few short years ago when we used to look forward to bedtime stories and a chance to lick the cake bowls. But the years flew by and new things filled our desires ... clothes, the use of the family car, dates, and MONEY. Yes, and you, Moms and Dads, were the ones who always shared these little things with us. You laughed when we laughed; cried when we cried. You knew and understood that all these things were just a part of our growing stages.

And so, Moms and Dads, we offer this dedication to you to express our appreciation for all the loving memories of your trust, confidence, wisdom, understanding, friendship, and love you have given us through these years.

Class Prophecy

While looking through my 1968 annual, I came across our senior pictures and found my old friend, Evie Kennamer of ten years past. I decided then to write her a letter and tell her about all of our classmates.

Dear Evie:

While looking at our '68 annual I came across your picture and decided to write and inform you of our past classmates.

To begin with, I have just learned about your new baby boy; you really surprised us.

While passing through Paint Rock Valley, I found to my surprise that Judy Kennamer and Barbara Flanagan are still the biggest flirts at Princeton. Also, you probably have read that Rickey Frazier was nominated mayor of Garth. He always said that he would make it big one day. Now to the local housewife, Janice Atchley, I don't see how she can find time to write a cook book and manage her very large family at the same time. I just heard that this was her third marriage.

The other day as I was going through Paint Rock, I happened to stop at the local department store; and to my surprise, I saw Brenda Busby, who is manager of the women's wear. As we were talking, I found out that Kenneth Manning is manager of the only Paint Rock Resort Club. Also, I found out that Jeaneane Ollis is happily married and living in a large split-level house in Paint Rock. She also has three lovely children and is expecting her fourth one.

Our home town, Woodville, has grown so much that you wouldn't believe it. You remember Stanley Stewart, well he finally got his wish, the largest night club in Jackson County, and you wouldn't guess who is the biggest attraction as his go-go girl, none other than Joy Hastings. I always knew she had the talent. Another attraction in Woodville is the new college which has been open for two years now. It has the best basketball team in the state of Alabama. Sam Cain is the coach since Coach Townson has retired. Oh yes! Sam and Dale Evans finally got married. Dale hasn't very much time to go to his ballgames because she has four healthy children to grow up in their father's footsteps. Changing from sports to the theater, guess who made it big as an opera singer? Yes, you are right--Jeanette Cotton. While passing by Woodville Park, I saw Dianne Saint and Shirley (Womack) Saint with their husbands, and children. As I talked to Shirley, I found to my surprise that Robert Caves is happily married and also owner of the largest ice cream parlor in Jackson County. Loyel Kennedy has the only garage with Patsy Smith as his assistant. Don't worry; she only does this part time. In her spare time she is a great seamstress. Can you imagine at one time she didn't know the fronts of her dresses from the backs?

R. C. Caves

Brenda Busby

Kenneth Manning

Jeanette Cotton

Surely you've heard on nation-wide television that Ann Hodges is the first woman President of the United States and has appointed Dewey Gentle as the Secretary of Treasury. I always knew Ann had some hidden talent.

On the way home last Tuesday night, I had to stop for gas in Limrock at the Dulaney's Service Station. I didn't think of the name at the moment; but, to my surprise it was Harold, our old classmate's station. As we were talking, he mentioned about Eddie Gentle's large billiard room in Miami, Florida, and also about James Bailey's being the biggest cattle owner in Texas. Janis Shelton and her husband own a large horse ranch in Texas.

Last Wednesday we had the annual Women's Club meeting, which was held at Limrock College. I found out several things about our classmates that day. For instance, Margaret Dolberry is the shorthand teacher, and Brenda Johnston is the Dean of the college. Nancy Powell is the famous beauty advisor at the college, too.

You wouldn't believe it, but Cumberland Mountain has really prospered with Danny Buckner as the Mayor. Among many of the business firms is Everett Hall's beauty salon for men and women. One of his top stylists for women is Judy Latham. She is not married yet, but is still looking. Glenn Hall has the largest car lot named "Harvey's Autos" in which his slogan is: "Biggest and best and better than the rest." You would be surprised how many cars that Joyce Baker and Glenda Pace are selling for him.

I just came from Vivian's; she is happily married and is a professional volleyball player. She has really had great financial success.

Lots of luck and success to you and your family!

Love,

Wanda

P. S: I didn't tell you that I am a working mother with four children. I am employed as a legal secretary for a large firm in Scottsboro.
