The Panther 1981

We, the Seniors of 1981, would like to dedicate this yearbook to Mr. Sam Long, the junior and senior social studies teacher at Woodville High School. He has been a friend as well as a teacher during the years that we have known him. He has taught us a great deal about how students will conduct their lives in the future. It is out of friendship and love for him that we dedicate this yearbook to him.

Sincerely,
The Senior Class of 1981

In Memory of Tracey Baugh

We would like to take the time to remember someone very special to us. She's very special in her own way. That someone is Tracey Baugh. We regret with great sorrow that she cannot be with us, but we are happy to have known her. It is with love and affection that we pay tribute to the memory of our good friend and classmate, Tracey.

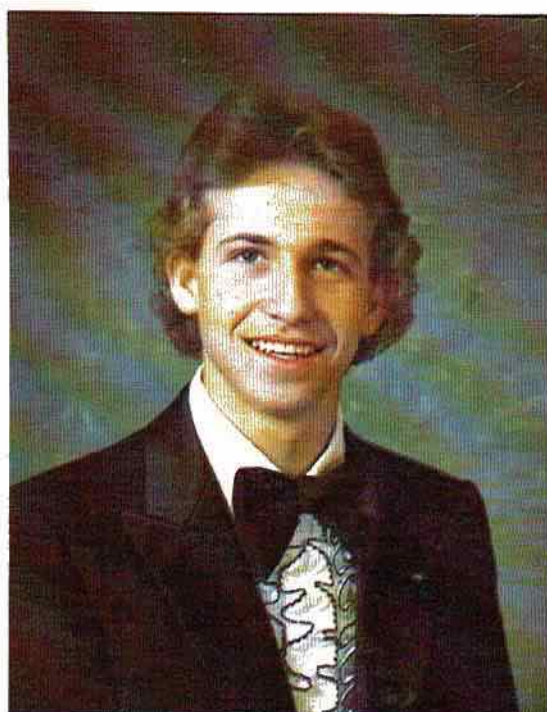

Sincerely,
Senior Class of 1981

**Our Promise:
We'll Never
Close Again**

FOREVER.

Our new Automatic Banker will never close again. It will cash your checks, take your deposits, and handle other banking needs anytime of the day or night . . . 24 hours a day . . . 365 days a year.

We think you'll agree that Automatic Banking is the greatest banking convenience since the drive-in-window. But, after all, being convenient just comes naturally with us!
