The

1982

Panther

In Memory of Frances Neely

The Faculty and Student Body of Woodville School wish to pay tribute to the memory of their fellow co-worker and teacher, Frances Phillips Neely. She became a part of us in 1976. For six years she worked with first grade and kindergarten students at Woodville. The younger they were the better. She felt she could teach them more. When she came, she worked long hours getting her materials and room in order. She gave it her all. It was a beautiful picture to see her leading her twenty students to lunch or to an assembly. She had no children of her own, but each student that came to her was hers. She would take them all under her wing personality and her congeniality. We have fond memories of her and comfort in knowing that this cannot be taken from us.

PANTHERS

We, the seniors of 1982, wish to dedicate this yearbook to the Varsity "A" Team, coach Baker, and Coach West. Through hard work and determination they have proved to be one of the best and most exciting teams ever to be put together at Woodville. Coach Baker, Coach West and the "A" team know how it feels to win and lose. The Panthers had a great season this year and will always be winners to us.

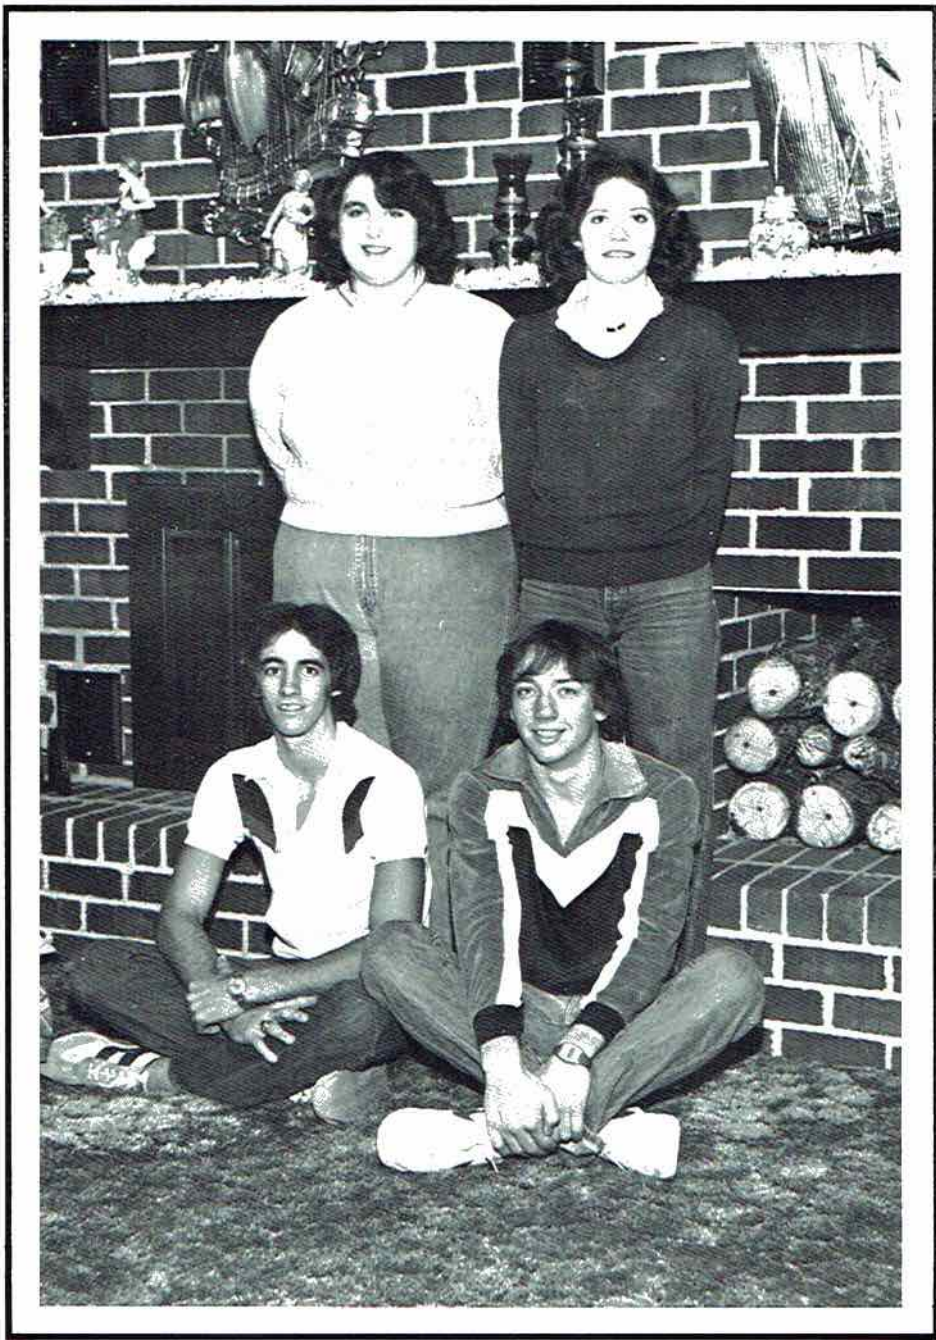

Sincerely,
Seniors of 1982

When we fuss and fight
And raise all sorts of cane,
People look at us
And say that we're insane.

We love things like rock and roll,
And country music, too.
Wild weekends and all-night parties,
All of this is true.

We've had our good and bad times,
But most of them were good,
Because we love each other,
The way we know we should.

When we all grow old, and
Look back on the past,
The memories of each other
I hope will always last.

You've all heard of Elvis and
Lynyrd Skynyrd, too.
You've seen the rebel flag,
With colors red, white, and blue.

But at this closing moment
I say to all of you.
"We are the Super
Seniors of 1982."
